Re:

Mastermolding Building Addition

Terry Drive

Dear Mr. Benner:

The Department of Public Works and Utilities has reviewed and accepted the site plan for the Mastermolding Building Addition located on Terry Drive with revisions dated 08/07/07. All stormwater detention and utility concerns have been met. The Department of Public Works and Utilities has no additional concerns for this site.

Should you have any questions or need additional information, please feel free to contact me at (815) 724-4210.

Sincerely,

Public Works Administrator

James R. Trizna, P.E., Director of Public Works cc: David Mackley, Director of Inspectional Services
