## Memo

**File #:** 324-25

**Agenda Date:** 6/3/2025

**TO:** Mayor and City Council

**FROM:** Greg Ruddy, Director of Public Works

**SUBJECT:**

Award of Contract for the Advanced Traffic Management System Phase B Project - MFT Section Number 21-00546-03-TL to H&H Electric Co. in the Amount of \$648,969.63

**BACKGROUND:**

The 2025 City Budget includes funding for the City's Advanced Traffic Management System (ATMS) - Phase B Project. This project is the second phase of planned improvements to modernize the City's traffic signal systems. The existing traffic signal system is a closed-loop signal system that has exceeded its end of life, and uses dated hardware, software, and communications technology. The existing system can no longer keep pace with traffic demands in the region and does not support modern traffic management solutions (equipment, software, and data analytics) to facilitate safe and efficient traffic flow.

This ATMS project will include the installation of new traffic signal controllers and central management software that utilizes a new Ethernet-based communications network to allow the City, IDOT and other stakeholders to remotely manage traffic signals and traffic flow throughout the region. The new system will replace existing closed loop systems (controllers, modems, and communication network) which have been installed throughout the City dating back to the 1980s. Existing communication cable and conduit will be used to the extent possible to provide an upgraded Ethernet communication backbone to support the ATMS.

The Public Service Committee will review this matter.

**CONCLUSION:**

On Friday, May 16, at 10:00 A.M., two (2) bids were received for the Advanced Traffic Management System Phase B Project. The bid summary is as follows:

**CONTRACTOR**

H&H Electric Co.

## Memo

**File #:** 325-25

**Agenda Date:** 6/3/2025

**TO:** Mayor and City Council

**FROM:** Allison Swisher, Director of Public Utilities

**SUBJECT:**

Award of Contract for the 2025 Sewer Cleaning and Inspection Program to Pipe View America in the Amount of \$528,650.00 and a Professional Services Agreement for Professional Engineering and Field Inspection Services to RJN Group Inc. in the Amount of \$98,500.00

**BACKGROUND:**

The annual sanitary sewer cleaning and inspection program focuses on both preventive maintenance and planning for future capital improvements. The program in 2025 includes thorough cleaning of approximately 26 miles of sewer mains and removal of any flow obstructions caused by tree roots, protruding service taps, or deteriorating pipe. The areas that are proposed for cleaning and inspection in the 2025 program are shown in the attached exhibit. Sewer cleaning is critical to maintaining efficient sewer flow and service reliability. The associated robotic video inspection process will document the cleaning process and provide valuable data for planning short-term and long-term rehabilitation projects. The inspection and cleaning program will begin in June and be completed by the end of the year. This is the final year of small diameter sewer cleaning and televising to complete the inspection of the system.

The Public Service Committee will review this matter.

**CONCLUSION:**

On Thursday, May 15, 2025, at 10:00 a.m., four (4) sealed bids were opened for the 2025 Sewer Cleaning and Inspection Program. The bid summary is as follows:

<b><u>CONTRACTOR</u></b>	<b><u>BID AMOUNT</u></b>
Pipe View America	\$528,650.00
Visu-Sewer of Illinois	\$620,370.00
National Power Rodding	\$639,700.00
Precision Infrastructure	\$957,050.00
Engineer's Estimate	\$647,310.00

The low bid from Pipe View America, in the amount of \$528,650.00, is 18.3% below the engineer's estimate. Pipe View America has completed similar services for nearby municipalities and received a good reference from the City of Aurora. Funds will be charged to the Water & Sewer Operations Fund / Contractual Services (Org 50080020, Object 524200, \$528,650.00).

Additionally, Staff requested a proposal from RJN Group Inc. to supplement City staff for field inspection and professional engineering services required for the project. RJN Group Inc. has performed a similar role since 2015 and has assisted in conducting the Sanitary Sewer Investigation and Rehabilitation Program since 2014. RJN Group Inc. provided a proposal, in the amount of \$98,500.00, to provide these services. The scope of work that RJN Group Inc. will provide generally consists of project management, field engineering services and completing GIS updates.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Two (2) of these circumstances apply:

- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council;
- (g) Purchases of Professional Services.

Funds will be charged to the Water & Sewer Operations Fund / Professional Services (Org 50080020, Object 523300, \$98,500.00).

**RECOMMENDATION:**

Based on the above, it is recommended that the Mayor and City Council take the following actions:

1. Award the Contract for the 2025 Sewer Cleaning and Inspection Program, in the amount of \$528,650.00, on behalf of Pipe View America.
2. Award the Professional Services Agreement for Professional Engineering and Field Inspection Services, in the amount of \$98,500.00, on behalf of RJN Group Inc.

Mr. Owen Dean, P.E.  
Department of Public Utilities  
City of Joliet

Joliet, Illinois 60432

**SUBJECT: PROPOSAL FOR PROFESSIONAL ENGINEERING SERVICES FOR:  
2025 SEWER CLEANING AND TELEVISIONING PROGRAM MANAGEMENT**

Dear Mr. Dean:

RJN Group, Inc. (RJN) is pleased to submit this proposal to the City of Joliet (City) for contract management and field inspection services on the 2025 Sewer Cleaning and Televisioning Program.

**PROJECT UNDERSTANDING AND APPROACH**

The City of Joliet has established an annual program to clean and televise approximately 6-8% of their collection system in order to provide maintenance and inspections needed to assess the condition of an aging sewer system.

In April 2025, RJN Group, Inc. assisted the City of Joliet in preparing contract documents for cleaning and televising, while making sure the contract had the necessary language, exhibits and requirements for a large-scale cleaning and televising program.

The 2025 program includes cleaning and closed-circuit sewer televising (CCTV) in the City of Joliet, covering approximately **140,000 linear feet of sanitary sewer**, primarily made of polyvinyl chloride (PVC) and vitrified clay (VCP), ranging from 6" to 24" in diameter. Additionally, the contract with the CCTV contractor includes **200 hours of on-call labor**.

Because a significant part of the City's current asset assessment and future programs are reliant on this information, getting quality usable data is important, as it will help to direct future maintenance activities and rehabilitation projects.

Based on a thorough review of data submittals from previous cleaning and televising contracts it has been determined that on-site visits as well as program management is needed to ensure the following:

- The terms of the agreement are being met.
- Invoicing and records are reported accurately.
- The work is performed properly.
- And that deficiencies in the work are quickly addressed.

Some of the issues encountered in previous cleaning contracts in the City included segments of sewer not being jetted but still billed for cleaning, double billing for televised sewers, missed sewers in critical study areas, unorganized and incomplete data submissions, missing deliverables, and misidentified videos and reports.

## ASSURING QUALITY AND SAFETY

### Quality Assurance/Quality Control

Our design processes adhere to stringent Quality Assurance and Quality Control (QA/QC) protocols to ensure the highest standards of accuracy and reliability. We implement a multi-tiered review system, where each design phase undergoes thorough checks by experienced engineers and project managers. This includes peer reviews and adherence to industry standards and regulatory requirements.

### Clarity®

Using Clarity®, RJN's in-house built data management and reporting software, the City will have access to fully transparent CCTV data.

### Safety

As an employee-owned firm, RJN's commitment to the safety of our employees, City staff, and the public is paramount. RJN demonstrates that commitment to safety in our internally developed and audited safety program where our goal is to have all field staff, engineers, and project managers "RJN Safety Certified." Every project follows RJN's health and safety guidelines when completing any field work.

## PRICE AND SCHEDULE SUMMARY

RJN will invoice for this project monthly on a Time and Material Basis for a total not-to-exceed fee of **\$98,500** as outlined in Exhibit B. RJN is ready to begin the project immediately upon an agreement with the City, and the CCTV inspection is expected to be completed by January 2, 2026. Complete Scope of Service, Pricing, and Schedule are provided in the following exhibits:

- Exhibit A – Scope of Services
- Exhibit B – Pricing
- Exhibit C – Schedule
- Exhibit D – Map

We are looking forward to the opportunity to work with the City of Joliet on this important project. It is our pleasure to submit this proposal to you. Please feel free to contact me at (847) 899-8723 or [ygallin@rjnmail.com](mailto:ygallin@rjnmail.com) if you would like to discuss this proposal or have any questions.

## Memo

**File #:** 326-25

**Agenda Date:** 6/3/2025

**TO:** Mayor and City Council

**FROM:** Allison Swisher, Director of Public Utilities

**SUBJECT:**

Award of Professional Services Agreement for the 2025 Force Main Design and Cleaning Program to RJN Group Inc. in the Amount of \$31,900.00

**BACKGROUND:**

On February 6, 2024 the Mayor and City Council awarded the 2024 Force Main and Assessment Program to RJN Group Inc. The assessment was for the Millsdale Lift Station Force Main, Route 66 Lift Station Force Main, and the Cherry Hill Lift Station Force Main. The results of this assessment showed that the Cherry Hill Lift Station Force Main and the Millsdale Lift Station Force Main both had significant air pockets and settled debris in the pipe which results in lost capacity. It is recommended that additional air release valves be installed on both force mains and ice pigging be completed to clean the debris.

The Public Service Committee will review this matter.

**CONCLUSION:**

RJN Group Inc. has provided a proposal to complete design and bidding services for the construction of the new air release valves and ice pigging services for the not-to-exceed amount of \$31,900.00.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Two (2) of these circumstances apply:

- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council.
- (g) Purchases of professional services.

Funds will be charged to the Water & Sewer Improvement Fund / Lift Stations / Professional Services (Org 50180031, Object 557200, \$31,900.00, Project Code 25035).

**RECOMMENDATION:**

IN WITNESS WHEREOF, the undersigned have placed their hands and seals upon and executed this Agreement in triplicate as though each copy hereof were an original and that there are no other oral agreements that have not been reduced to writing in this statement.

Mr. Owen Dean, P.E.  
Department of Public Utilities  
City of Joliet  
150 West Jefferson Street  
Joliet, Illinois 60432

**SUBJECT: PROPOSAL FOR PROFESSIONAL ENGINEERING SERVICES  
2025 FORCE MAIN DESIGN AND CLEANING PROGRAM**

Dear Mr. Dean:

RJN Group, Inc. (RJN) is pleased to submit this proposal to the City of Joliet (City) for professional engineering design and bidding services for the City's Millsdale and Cherry Hill force mains.

These force mains were previously assessed internally by RJN in 2024 using INGU Pipers® technology.

Force Main	Age (years)	Diameter (in)	Material	Length (LF)
Millsdale	2006	8	PVC	5,312
Cherry Hill	2005	10	HDPE	5,513

**KEY PROJECT GOALS AND OBJECTIVES**

The primary objective of this project is to enhance the performance of two nonmetallic pressure pipelines, Cherry Hill and Millsdale. RJN will provide comprehensive design and bidding services for ice pigging and the installation of air release valves (ARVs) on the Millsdale and Cherry Hill force mains, guided by the results of the 2024 force main inspections. Implementing ice pigging and ARV installations on the Millsdale and Cherry Hill force mains will extend their operational lifespan and optimize the performance of their associated lift stations.

This proposal of services pertains to the following:

#### A. Design and Bidding Services - Millsdale and Cherry Hill Force Mains

The 2024 in-line screening assessment conducted by RJN identified significant debris buildup and minor air pockets in both the Millsdale and Cherry Hill force mains. As nonmetallic pipelines, they are well-suited for ice pigging. This project includes professional engineering design and bidding services for ice pigging and ARV installations, **with two ARVs planned for the Cherry Hill force main and one for the Millsdale force main.**

In addition, the City is planning to replace all site process piping for the Millsdale Lift Station and has partnered with Engineering Solutions Team to provide plan sheets, details, and specifications for this work. As part of this proposal, RJN will be responsible for coordinating with the City and Engineering Solutions Team, creating the front-end documents, combining the bid documents, and managing bidding assistance.

### ASSURING QUALITY AND SAFETY

#### Quality Assurance/Quality Control

Our design processes adhere to stringent Quality Assurance and Quality Control (QA/QC) protocols to ensure the highest standards of accuracy and reliability. We implement a multi-tiered review system, where each design phase undergoes thorough checks by experienced engineers and project managers. This includes peer reviews and adherence to industry standards and regulatory requirements.

#### Safety

As an employee-owned firm, RJN's commitment to the safety of our employees, City staff, and the public is paramount. RJN demonstrates that commitment to safety in our internally developed and audited safety program where our goal is to have all field staff, engineers, and project managers "RJN Safety Certified." Every project follows RJN's health and safety guidelines when completing any field work.

### PRICE AND SCHEDULE SUMMARY

RJN will invoice for this project monthly on a Time and Material basis for a total not-to-exceed fee of **\$31,900** as outlined in Exhibit B. RJN is ready to begin the project immediately upon an agreement with the City. Complete Scope of Service, Pricing, and Schedule are provided in the following exhibits:

## Memo

**File #:** 328-25

**Agenda Date:** 6/3/2025

**TO:** Mayor and City Council

**FROM:** Dustin Anderson, Director of Community Development

**SUBJECT:**

Award of Professional Services Agreement for a TIF Efficiency Study to Johnson Research Group (JRG) in the Amount of \$72,615.00

**BACKGROUND:**

After internal staff discussion about the current balance and overall financial health of Joliet's Tax Increment Financing (TIF) districts, Economic Development staff issued an RFP seeking a qualified consultant to conduct a study of Joliet's TIF districts and help identify strategies to improve each TIF district's performance. This RFP was issued on January 24, 2025. The findings will help guide decisions on potential boundary amendments, extensions, or terminations in accordance with the Illinois TIF Act.

Our current TIFs are not performing as well as they otherwise might. This under performance has contributed to fewer projects than preferred in some TIF districts. Appendix "A" provides a summary of the balance in each TIF district, the age of the district, and the number of active projects today.

To attract developers with impactful projects to Joliet, the City must have a healthy and diverse portfolio of incentives, including TIF funding. This funding source is the most popular financing mechanism among developers and one where the municipality has direct control of the process. The current balances of Joliet's TIF Districts, excluding TIF #7, are a challenge to attract projects that require multi-million-dollar investments.

Additionally, the City itself could implement incentive programs directly funded from TIF districts for smaller-scale projects. One example might be a storefront modernization program. A program of this kind could help commercial building owners and/or business owners update the façade of storefronts and upgrade plumbing and electrical equipment, making the building stock in Joliet more attractive and assessed at a higher value, which in turn would help boost the increment created in the district.

The selected consultant would be responsible for collecting and analyzing parcel-level data (property value, building size, use, etc.), running financial models that help us understand the current financial state of each TIF district, and making recommendations based on the findings. If approved, the price of the study would be funded with funds from each TIF district; studies are an eligible expense under the Illinois TIF Act.

The City solicited bids from four consulting firms, and received two proposals as described below:

---

Consultant	Quote
Johnson Research Group	\$72,615
SB Friedman Development Advisors	\$127,860
MEECH Consulting	N/A
The 1861 Group	N/A

This item was recommended for City Council approval by the Land Use and Economic Development Committee on May 28, 2025.

**CONCLUSION:**

If approved, the cost of the study would be funded with funds from each TIF district; studies are an eligible expense under the Illinois TIF Act.

This is an opportunity for the City of Joliet to identify policies and strategies to improve the performance of its TIF districts, attract impactful projects, and invest in the improvement and modernization of buildings in key commercial corridors which in turn will attract organic investment in the long-term.

The proposal submitted by Johnson Research Group (JRG) was relevant and action-oriented to the scope of services described in the RFP. The firm is experienced in the region and it is the most affordable submission received.

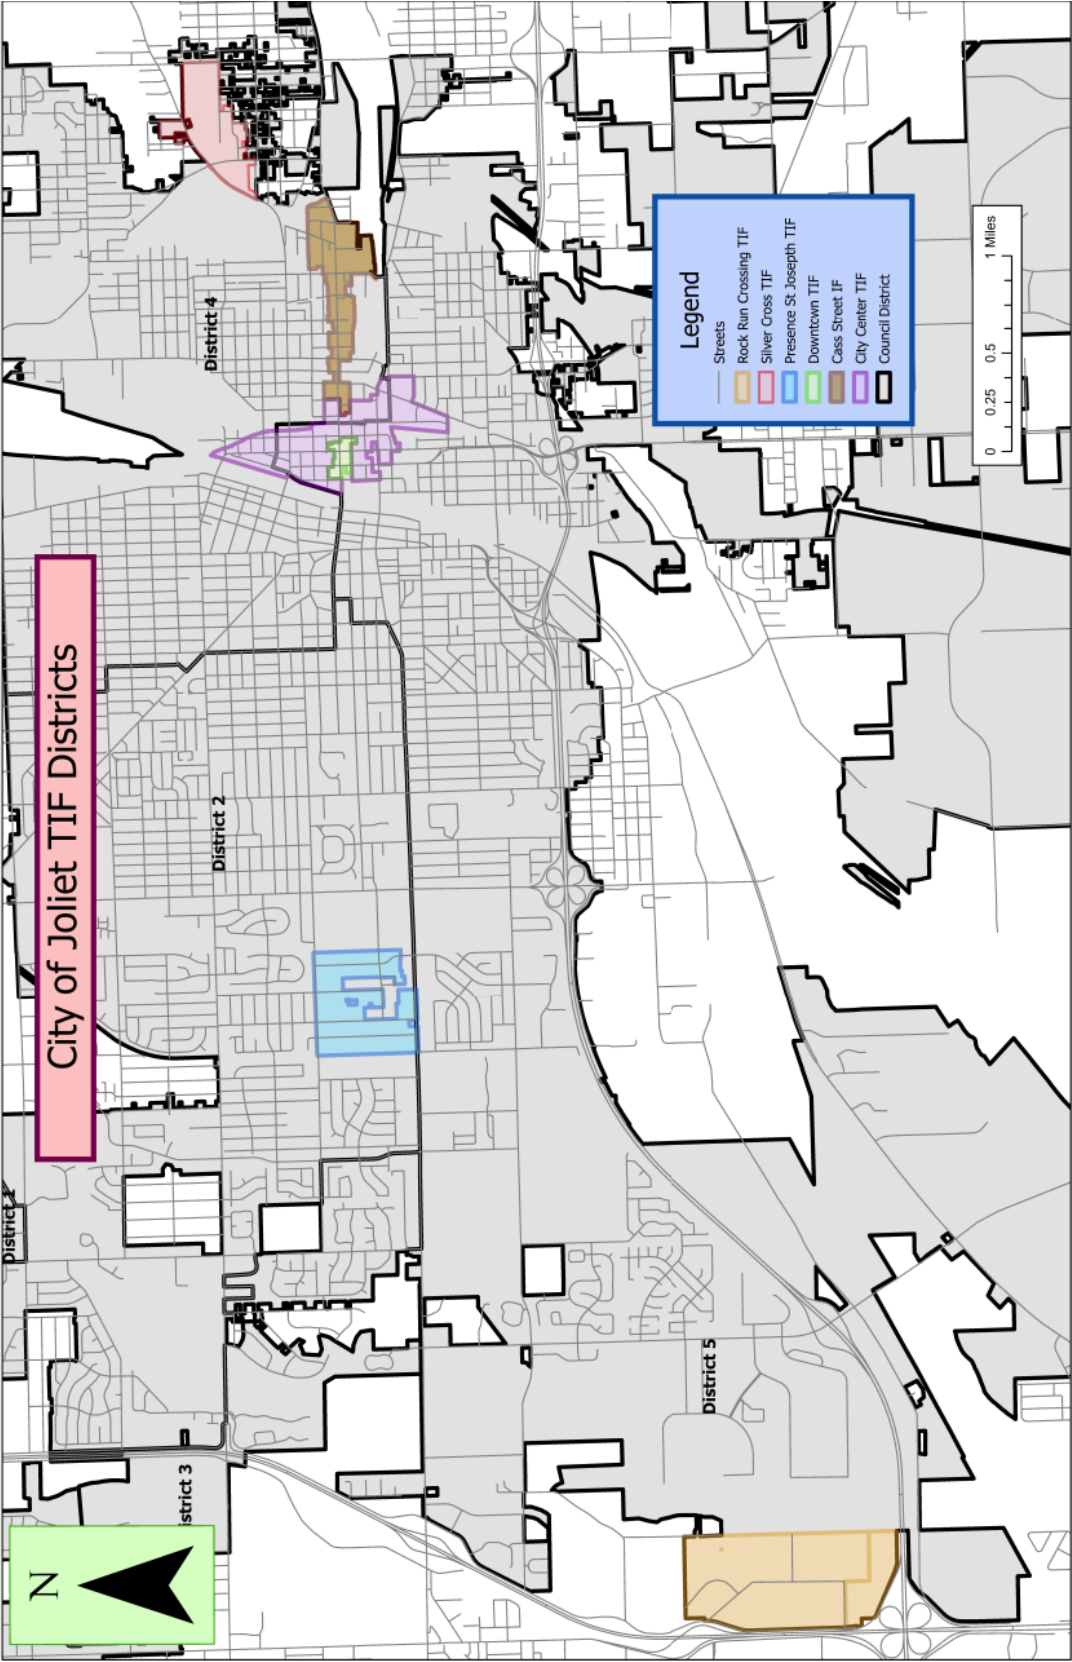

**RECOMMENDATION:**

Based on the above, it is recommended that the Mayor and City Council approve the award of Professional Services Agreement for a TIF Efficiency Study to Johnson Research Group in the Amount of \$72,615.00

## Memo

**File #:** 336-25

**Agenda Date:** 6/3/2025

**TO:** Mayor and City Council

**FROM:** Kevin Sing, Director of Finance

**SUBJECT:**

Ordinance Approving One or More Supplemental Indentures and Authorizing the Issuance of Not To Exceed \$145,000,000 Waterworks and Sewerage Senior Lien Revenue Bonds of the City of Joliet, Illinois

**BACKGROUND:**

As part of our project to accept Lake Michigan Water, the City must complete certain capital improvements. On May 20, 2025, the Finance Committee received a presentation from the City's Financial Advisor (Speer Financial) on the plan to finance our sewer and water system upgrades. That plan is designed to use the lowest cost of financing available and to be adaptable to changing market conditions. Based on that plan, the next financing item is the issuance of a revenue bond. This bond is expected to fund the following improvements:

- Joliet system improvements to accept Lake Michigan water - \$86,915,199
- Joliet's required Grand Prairie Water Commission Development Costs - \$36,146,766
- Debt Service Reserve and closing costs - approximately \$11,000,000

The Ordinance for the revenue bond allows for the issuance of bonds not to exceed \$145,000,000. This ordinance also approves the second supplemental indenture to incorporate the issuance of the bond in our Sewer and Water Trust Indenture. As a reminder, the Trust Indenture controls our flow of funds securing the debt. The ordinance authorizes the issuance of bonds that fall meet the following parameters:

- Interest rate less than 6%
- Term 30 years or less
- Redemption premium does not exceed 3% of the principal. We are currently anticipating a call date of January 1, 2035, at par.
- Bonds can be sold with a discount if not more than 2%
- Underwriter compensation not to exceed 0.5% of the principal amount of the bond

The Finance Committee reviewed and recommended this item for approval at their May 20, 2025 meeting.

**CONCLUSION:**

Approval of this item will allow the financing team to secure the financing necessary to complete the capital improvements.

**RECOMMENDATION:**

It is recommended that the City Council approve an Ordinance Approving One or More Supplemental Indentures and Authorizing the Issuance of Not to Exceed \$145,000,000 Waterworks and Sewerage Senior Lien Revenue Bonds of the City of Joliet, Illinois.

**WHEREAS**, the Phase III Project means the design, engineering, construction engineering, program management, project management, acquisition, construction and installation of system improvements, including infrastructure to connect the System to the Water Transmission System Project (as defined in the Master Indenture) and other related facility improvements to the System; and

**WHEREAS**, the City has previously issued various series of its Waterworks and Sewerage Senior Lien Revenue Bonds that are currently outstanding (the “Outstanding Bonds”); and

**WHEREAS**, the Outstanding Bonds are “Senior Lien Obligations” secured under the Master Indenture of Trust Securing Waterworks and Sewerage Revenue Senior Lien Obligations dated as of March 15, 2022 (as heretofore supplemented, the “Master Indenture”) between the City and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”); and

**WHEREAS**, the City has determined to finance a portion of the costs of the Water Transmission System Project by the issuance of Waterworks and Sewerage Senior Lien Revenue Bonds of the City constituting one or more series of Senior Lien Obligations secured under the Master Indenture and created pursuant to one or more supplemental indentures (each a “Supplemental Indenture”).

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF JOLIET, ILLINOIS, AS FOLLOWS:**

So long as this Bond is restricted to being registered in the registration books of the City in the name of a Securities Depository (as defined in the Indenture), the provisions of the Indenture governing book-entry bonds shall govern the payment of the principal of and interest on this Bond.

This Bond is one of an authorized series of Senior Lien Obligations limited in aggregate principal amount to \$\_\_\_\_\_ (the “Bonds”) issued pursuant to, under authority of and in full compliance with the Constitution and laws of the State of Illinois, particularly Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois and an ordinance adopted by the City Council of the City on \_\_\_\_\_, 2025, and executed and secured under a Master Indenture of Trust securing Waterworks and Sewerage Revenue Senior Lien Obligations dated as of March 15, 2022 from the City to U.S. Bank Trust Company, National Association, as Trustee, as supplemented by a Second Supplemental Indenture securing Waterworks and Sewerage Senior Lien Revenue Bonds, Series 2025, dated \_\_\_\_\_ 1, 2025, from the City to the Trustee (collectively, the “Indenture”), for the purposes of paying the costs of the 2025 System Projects, funding a deposit to the Common Debt Service Reserve Sub-Fund and paying costs of issuance of the Bonds.

The Bonds and the interest thereon are payable from the Trust Estate, (as defined in the Indenture) pledged to the payment thereof under the Indenture, including Revenues and certain other moneys held by or on behalf of the Trustee. The Bonds are limited obligations of the City and shall not constitute an indebtedness of the City or a loan of credit thereof within the meaning of any constitutional or statutory limitation. Neither the full faith and credit nor the taxing power of the City is pledged to the payment of the principal of the Bonds, or the interest or any premium thereon, or other costs incident thereto.

Copies of the Indenture are on file at the principal office of the Trustee, and reference to the Indenture and any and all supplements thereto and modifications and amendments thereof is

made for a description of the pledge and covenants securing the Bonds, the nature, extent and manner of enforcement of such pledge, the rights and remedies of the registered owners of the Bonds, and the limitations on such rights and remedies.

The Bonds are issuable only as fully registered Bonds in the authorized denominations described in the Indenture. Bonds may be transferred on the books of registration kept by the Trustee by the owner in person or by his or her duly authorized attorney, upon surrender thereof, together with a written instrument of transfer executed by the owner or his or her duly authorized attorney. Upon surrender for registration of transfer of any Bond with all partial redemptions endorsed thereon at the principal office of the Trustee, the City shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same maturity, series and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations and bearing numbers not contemporaneously outstanding under the Indenture.

Bonds may be exchanged at the principal office of the Trustee for an equal aggregate principal amount of Bonds in the appropriate form and in the same maturity, series and interest rate, aggregate principal amount and tenor and of any authorized denomination or denominations. The City shall execute and the Trustee shall authenticate and deliver Bonds which the Bondholder making the exchange is entitled to receive.

Such registration of transfer or exchange of Bonds shall be without charge to the owners of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the owners of the Bond requesting such transfer or exchange as a condition precedent to the exercise of such privilege.

The Trustee shall not be required to register for transfer or exchange any undelivered Bond or Bonds after the giving of notice calling such Bond for redemption or partial redemption has been made.

The person in whose name any Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of principal, premium, if any, or interest shall be made only to or upon the order of the registered owner thereof, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

The Bonds maturing on or after January 1, 20\_\_ are subject to redemption at the option of the City, on or after January 1, 20\_\_, as a whole or in part at any time, and if in part, from such maturities and in such principal amounts as the City shall determine and within any maturity by lot, at a redemption price equal to the principal amount of each Bond to be redeemed, plus accrued interest to the date of the redemption.

The Bonds maturing on January 1, 20\_\_, are term bonds subject to mandatory redemption prior to maturity, in part and by lot, at a redemption price equal to the principal amount thereof to be redeemed, on January 1 of the years 20\_\_ to 20\_\_, both inclusive, by the application of

mandatory sinking fund payments in the principal amounts required by the Second Supplemental Indenture.

The Bonds maturing on January 1, 20\_\_, are term bonds subject to mandatory redemption prior to maturity, in part and by lot, at a redemption price equal to the principal amount thereof to be redeemed, on January 1 of the years 20\_\_ to 20\_\_, both inclusive, by the application of mandatory sinking fund payments in the principal amounts required by the Second Supplemental Indenture.

Notice of any such redemption must be given by the Trustee by first class mail (or registered mail in the case of registered owners of at least \$1,000,000 of Bonds) not less than 30 or more than 60 days prior thereto to the registered owners of the Bonds. Failure to mail any such notice to the registered owner of any Bond or any defect therein shall not affect the validity of the proceedings for such redemption of Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

The Indenture prescribes the manner in which it may be discharged and after which the Bonds shall no longer be secured by or entitled to the benefits of the Indenture, except as provided in the Indenture and for the purposes of registration and exchange of Bonds and of such payment, including a provision that the Bonds shall be deemed to be paid if the Trustee shall hold in trust for that purpose Federal Obligations, as defined therein, the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or redemption price, if applicable, of and interest due and to become due on said Bonds on or prior to each specified redemption date or maturity date thereof, as the case may be.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

All capitalized terms used in this Bond shall have the meanings assigned in the Indenture unless otherwise defined herein.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture unless and until the certificate of authentication hereon shall have been duly executed by the Trustee.

It is Hereby Certified, Recited and Declared that all acts and conditions required to be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond have been performed in due time, form and manner as required by law, and that the issuance of this Bond and the series of which it forms a part does not exceed or violate any constitutional or statutory limitation.

IN WITNESS WHEREOF, the City of Joliet has caused this Bond to be signed in its name and on its behalf by the manual or duly authorized facsimile signature of its Mayor and its corporate seal (or a facsimile thereof) to be hereunto impressed, imprinted, engraved or otherwise reproduced hereon and attested by the manual or duly authorized facsimile signature of its City Clerk.

Prior to the delivery by the Trustee of any of the Bonds there shall be filed with the Trustee:

- (e) A written order as to the delivery of the Bonds, executed by an Authorized Officer stating (i) the identity of the purchasers, aggregate purchase price and date and place of delivery of the Bonds and (ii) that no Event of Default has occurred and is continuing under the Indenture or this Second Supplemental Indenture;
- (f) The Certificate of the City required by Section 206(e) of the Indenture; and
- (g) A Certificate of an Independent System Consultant or a Certificate of the City complying with Section 206(f) of the Indenture.

**Section 2.08. Mutilated, Lost, Stolen or Destroyed Bonds.** If any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of like date, maturity, interest rate and denomination as the Bond mutilated, lost, stolen or destroyed, *provided* that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and the Trustee evidence of such loss, theft or destruction satisfactory to the City and the Trustee, together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a substitute Bond the City may pay the same without surrender thereof. The City and the Trustee may charge the Registered Owner of such Bond with their reasonable fees and expenses in this connection. All Bonds so surrendered to the Trustee shall be cancelled and destroyed, and evidence of such destruction shall be given to the City. Upon the date of final maturity or redemption of all of the Bonds, the Trustee shall destroy any inventory of unissued certificates.

**Section 2.09. Registration and Exchange of Bonds; Persons Treated as Owners.** The City shall cause books for the registration and for the transfer of the Bonds as provided in this Second Supplemental Indenture to be kept by the Trustee. Upon surrender for transfer of any Bond at the principal office of the Trustee, duly endorsed for transfer or accompanied by an

assignment duly executed by the Registered Owner or his or her attorney duly authorized in writing, the City shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a fully registered Bond for a like aggregate principal amount.

Bonds may be exchanged at the principal office of the Trustee for a like aggregate principal amount of fully registered Bonds of the same maturity of other authorized denominations. The City shall execute and the Trustee shall authenticate and deliver Bonds which the Bondowners making the exchange are entitled to receive, bearing numbers not contemporaneously then outstanding. The execution by the City of any Bond of any denomination shall constitute full and due authorization of such denomination and the Trustee shall thereby be authorized to authenticate and deliver such Bond.

In each case the Trustee shall require the payment by the Bondowner requesting exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer, but otherwise no charge shall be made to the Bondowner for such exchange or transfer.

The Trustee shall not be required to register for transfer or exchange any undelivered Bond or any Bond after the giving of notice calling such Bond for redemption or partial redemption.

The person in whose name any fully registered Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such registered Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such Interest Payment Date, except if and to the extent there shall be a default in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the person in whose name such Bond is registered either at the close of business on the day preceding the date of payment of such defaulted interest or on a subsequent Record Date for such payment if one shall have been established as hereinafter provided. A subsequent Record Date may be established by or on behalf of the City by notice mailed to the Registered Owners of Bonds not less than 10 days preceding such Record Date, which Record Date shall be not more than 30 days prior to the subsequent interest payment date.

Except as provided in the Indenture, as to any Bond the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal, premium, if any, or interest on any Bond shall be made only to or upon the written order of the Registered Owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

**Section 2.10. Book-Entry Provisions.** The provisions of this Section shall apply so long as the Bonds are maintained in book-entry form with DTC or another Securities Depository.

(a) *Payments.* The Bonds shall be payable to the Securities Depository, or its nominee, as the Registered Owner of the Bonds, in next day funds on each date on which the principal of, premium, if any, and interest on the Bonds is due as set forth in this Second Supplemental Indenture and in the Bonds. Such payments shall be made to the offices of the Securities

Depository specified by the Securities Depository to the City and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Bonds, the City and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the City shall give the Trustee notice thereof, and the Trustee shall make payments with respect to the Bonds in the manner specified in such notice as set forth herein. Neither the City nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Bonds to Participants or the beneficial owners of the Bonds or their nominees.

(b) *Replacement of the Securities Depository.* If the City receives notice that the Securities Depository has received notice from its Participants having interests in at least 50% in principal amount of the Bonds that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository or that it is in the best interests of the beneficial owners that they obtain certificated Bonds, the City shall cause the Trustee to authenticate and deliver Bond certificates. The City shall have no obligation to make any investigation to determine the occurrence of any events that would permit the City to make any determination described in this paragraph.

(c) *Discontinuance of Book-Entry or Change of Securities Depository.* If, following a determination or event specified in paragraph (b) above, the City discontinues the maintenance of the Bonds in book-entry form with the then current Securities Depository, the City will issue replacement Bonds to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Bonds, directly to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Bonds shown on the records of such Participant. Replacement Bonds shall be in fully registered form and in Authorized Denominations, be payable as to interest on the Interest Payment Date of the Bonds by check or draft mailed to each Registered Owner at the address of such Registered Owner as it appears on the bond registration books maintained by the City for such purpose at the principal office of the Trustee or at the option of any Registered Owner of not less than \$1,000,000 original principal amount of Bonds, by wire transfer to any address in the continental United States of America on such Interest Payment Date to such Registered Owner as of such Record Date, if such Registered Owner provides the Trustee with written notice of such wire transfer address not later than the Record Date (which notice may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked by subsequent notice). Principal and redemption premium, if any, on the replacement Bonds are payable only upon presentation and surrender of such replacement Bond or Bonds at the principal office of the Trustee.

(d) *Effect of Book-Entry System.* The Securities Depository and its Participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, agree that the City and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Bonds, nor shall the City or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Bonds.

Moneys paid into the Principal and Interest Account as a Sinking Fund Payment in any year shall upon receipt be segregated and set aside in said sub-accounts in proportion to the respective amounts of the Sinking Fund Payments payable on the next ensuing Sinking Fund Payment due date with respect to the particular Bonds for which each such sub-account is maintained.

(c) The Trustee shall apply moneys in any sub-account established in the Principal and Interest Account as provided in paragraph (b) of this Section to the purchase or redemption of the Bonds for which such sub-account is maintained in the manner provided in this Section and Article III or to the payment of the principal thereof at maturity. If at any date there shall be moneys in any such sub-account and there shall be Outstanding none of the Bonds for which such sub-account was established, said sub-account shall be closed and the moneys therein shall be withdrawn therefrom and shall be applied by the Trustee as if paid into the Principal and Interest Account on said date.

(d) On or prior to the 60th day next preceding the Sinking Fund Payment due date, the moneys held for the payment of such Sinking Fund Payment may be applied for the purchase of Bonds of the maturity for which such Sinking Fund Payment was established in an amount not exceeding that necessary to complete the retirement of the unsatisfied balance of Bonds to be redeemed from such Sinking Fund Payment on the Sinking Fund Payment due date for such Bonds next ensuing. Bonds purchased pursuant to this paragraph shall be canceled and the principal amount thereof shall be credited against the unsatisfied balance of the applicable Sinking Fund Payment next due and payable. The purchase price paid (excluding accrued interest but including any brokerage and other charges) for any Bond shall not exceed the Redemption Price of such Bond applicable upon its redemption on the next date on which such Bond could be redeemed in accordance with its terms by the application of Sinking Fund Payments. Subject to the limitations hereinbefore set forth or referred to in this Section, the Trustee may purchase Bonds at such times, for such prices, in such amounts and in such manner (whether after advertisement for tenders or otherwise) as directed by an Authorized Officer and as may be possible with the amount of moneys available therefor in the applicable sinking fund sub-account within the Principal and Interest Account. Accrued interest on Bonds purchased pursuant to this paragraph shall be paid from the Principal and Interest Account.

(e) As soon as practicable after the 60th and before the 30th day prior to the due date of each Sinking Fund Payment, the Trustee shall call for redemption on said date and by application of said Sinking Fund Payment such principal amount of Bonds entitled to such Sinking Fund Payment as is required to redeem the unsatisfied balance of such Sinking Fund Payment. The Trustee shall withdraw from the Principal and Interest Account, prior to each sinking fund redemption date, an amount equal to the Redemption Price of the Bonds called for redemption on said date, and apply the same to the payment of the Redemption Price of said Bonds when due.

**Section 4.06. Use of Moneys in the [Capitalized Interest Account,] Costs of Issuance Account and the Administrative Account.** [Moneys in the Capitalized Interest Account shall be

used to pay interest on the Bonds by transfers to the Principal and Interest Account on the following Deposit Dates of the following amounts:

<u>Deposit Date</u>	<u>Amount</u>
July 1, 20__	\$
January 1, 20__	
July 1, 20__	
January 1, 20__	

Any amount remaining in the Capitalized Interest Account after the \_\_\_\_\_ 1, 20\_\_ Deposit Date shall be transferred to the Principal and Interest Account.]

Moneys in the Costs of Issuance Account shall be used for the payment or reimbursement of Costs of Issuance of the Bonds as directed in a Certificate filed with the Trustee. If after the payment of all Costs of Issuance, as specified in a Certificate filed with the Trustee, there shall be any balance remaining in the Costs of Issuance Account, such balance shall be transferred to the Administrative Account.

Moneys in the Administrative Account shall be used for the payment of fees and expenses with respect to the Bonds as set forth in a Certificate filed with the Trustee.

**Section 4.07. Tax Covenants.** The City shall not permit any of the proceeds of the Bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any Bond to constitute a “private activity bond” within the meaning of Section 141 of the Code. The City shall not permit any of the proceeds of the Bonds or other moneys to be invested in any manner that would cause any Bond to constitute an “arbitrage bond” within the meaning of Section 148 of the Code or a “hedge bond” within the meaning of Section 149(g) of the Code.

The City shall comply with the provisions of Section 148(f) of the Code relating to the rebate of certain investment earnings at periodic intervals to the United States of America.

**Section 4.08. Nonpresentment of Bonds.** If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if moneys sufficient to pay any such Bond shall have been made available to the Trustee for the benefit of the Registered Owner or Owners thereof, subject to the provisions of Section 602 of the Indenture, all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys, without liability for interest thereon, for the benefit of the Registered Owner of such Bond who shall thereafter be restricted exclusively to such moneys, for any claim of whatever nature under the Indenture or this Second Supplemental Indenture or on, or with respect to, such Bond.

**Section 4.09. Common Debt Service Reserve Sub-Fund.** The City hereby designates the Bonds as Common Reserve Bonds. The City covenants to maintain the Common Debt Service Reserve Sub-Fund in an amount equal to the Reserve Requirement. The City covenants and the City and the Trustee agree that the Common Debt Service Reserve Sub-Fund is to be administered

for the equal benefit, protection and security of the Owners of the Common Reserve Bonds and that, with respect to the Common Debt Service Reserve Sub-Fund, all Outstanding Common Reserve Bonds are on a parity and rank equally without preference, priority or distinction.

**Section 4.10. Costs of 2025 System Projects.** The costs of the 2025 System Projects shall include:

(a) Obligations incurred for labor and to contractors, builders, and materialmen in connection with the construction, installation and acquisition of the 2025 System Projects or any part thereof, and obligations incurred for the installation and acquisition of machinery and equipment;

(f) The cost of engineering and architectural services which includes borings and other preliminary investigations to determine foundation or other conditions, expenses necessary or incident to the development of contract documents and supervising construction, as well as for the performance of all other duties of engineers and architects set forth herein in relation to the construction, installation and acquisition of such 2025 System Projects or the issuance of the Bonds therefor;

(g) Costs of Issuance;

(h) Arbitrage rebate payments and yield reduction payments to the United States Treasury;

(i) Any cost properly chargeable to such 2025 System Projects prior to and during construction, installation and acquisition;

(j) The cost of restoring, repairing and placing in its original condition, as nearly as practicable, all public or private property damaged or destroyed in the construction of such 2025 System Projects and the cost thereof, or the amount required to be paid by the City as adequate compensation for such damage or destruction, and all costs

lawfully incurred or damages lawfully payable, with respect to the restoration, relocation, removal, reconstruction or duplication of property made necessary or caused by the construction and installation of such 2025 System Projects and the cost thereof;

(k) Any obligation or expense incurred by the City for moneys advanced in connection with the construction, installation and acquisition of 2025 System Projects and the cost thereof; and

(l) All other items of cost and expense not elsewhere in this Section 4.10 specified, incident to the construction, installation and acquisition of 2025 System Projects and the financing thereof, including the payment of interest on Bonds.

(i) Item number of the payment;

(ii) The name of the person, firm or corporation to whom the payment is due;

(iii) The amount to be paid;

(iv) The 2025 System Project and purpose, by general classification, for which payment is to be made;

(v) That the obligations in stated amounts have been incurred by the City, and that each item thereof is a proper charge against the Project Account (or such sub-account) and is due and has not been included in any prior requisition which has been paid; and

(vi) That there has not been filed with or served upon the City any notice of any lien, right to lien, or attachment upon or claim affecting the right to receive payment of any of the moneys payable to any of the persons, firms or corporations named which have not been released or will not be released simultaneously with the payment of such obligations, and in the event that any assignment of right to receive payment has been made and notice thereof has been given to the City and the City has accepted such assignment, the order directing payment shall recite that fact and direct the payment to be made to the assignee thereof as shown by the records of the City.

(b) Upon receipt of any such requisitions the Trustee shall pay each such obligation from the appropriate sub-account of the Project Account and the Trustee shall make disbursements in accordance with the directions from the Authorized Officer. The moneys held in the Project Account shall be invested in accordance with the requirements of Article V.

**Section 4.12. All such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the fund, account or subaccount for which they were made.

**Section 5.02. Investment Income.** The interest earned on any investment of moneys held hereunder, any profit realized from such investment and any loss resulting from such investment shall be credited or charged to the fund, account or subaccount for which such investment was made.

## ARTICLE VI

Defeasance.** If the City shall pay to the Registered Owners of the Bonds, or provide for the payment of, the principal or Redemption Price of, and interest to become due thereon, at the times and in the manner stipulated in Section 601 of the Indenture, then this Second Supplemental Indenture shall be fully discharged and satisfied. Upon the satisfaction and discharge of this Second Supplemental Indenture, the Trustee shall, upon the request of the City,

execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the City all Funds, Accounts and other moneys or securities held by them pursuant to this Second Supplemental Indenture which are not required for the payment or redemption of the Bonds not theretofore surrendered or presented for such payment or redemption.

## **ARTICLE VII**

### **Concerning the Trustee**

**Section 7.01. Acceptance of Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Second Supplemental Indenture, and agrees to perform said trusts, but only upon and subject to the express terms and conditions set forth herein and in the Indenture. Except as otherwise expressly set forth in this Second Supplemental Indenture, the Trustee assumes no duties, responsibilities or liabilities by reason of its execution of this Second Supplemental Indenture other than as set forth in the Indenture and this Second Supplemental Indenture, and this First Supplemental Indenture is executed and accepted by the Trustee subject to all the terms and conditions of its acceptance of the trust under the Indenture, as fully as if said terms and conditions were herein set forth at length.

**Section 7.02. Dealing in Bonds.** The Trustee, in its individual capacity, either as principal or agent, may also engage in or be interested in any financial or other transaction with the City, and may act as depositary, trustee or agent for any committee or body of the owners of Bonds secured hereby or other obligations of the City as freely as if it did not act in any capacity hereunder.

## **ARTICLE VIII**

### **Insurer Provisions**

**Section 8.01. Insurer Provisions.** The City hereby designates \_\_\_\_\_ as the Insurer with respect to the Insured Bonds. The Insurer shall be entitled to the benefits of Section 1102 of the Indenture. This Section 8.01 contains certain covenants and restrictions for the benefit of the Insurer which apply in addition to, and not in substitution of, the provisions of the Indenture. The following covenants shall apply only to the Insured Bonds and shall only be applicable during the period in which any Insured Bonds are Outstanding or any amounts are due to the Insurer under the Policy, and the Insurer's rights have not terminated pursuant to clause (a) of this Section 8.01. The covenants contained in this Section 8.01 may only be enforced by the Insurer and may be modified, amended or waived at any time with the prior written consent of the Insurer and without the consent of the Trustee (so long as such modification or amendment imposes no additional duties on the Trustee) or any holder of the Bonds. The existence of all rights given to the Insurer under this Second Supplemental Indenture or the Indenture are expressly conditioned on the timely and full performance of the payment obligations of Insurer under the Policy.

(b) The Insurer shall be considered the sole Owner of the Insured Bonds as provided in and subject to the limitation in Section 1102 of the Indenture.

(c) To the extent that this Second Supplemental Indenture confers upon or gives or grants to the Insurer any right, remedy or claim under this Second Supplemental Indenture, the Insurer is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

(d) No amendment or modification of any provisions of this Second Supplemental Indenture giving any right, remedy or claim to the Insurer may be made without the prior written consent of the Insurer (which consent shall not be unreasonably withheld).

(e) No amendment of the Indenture that materially and adversely alters the security for the Insured Bonds shall become effective without the prior written consent of the Insurer (which consent shall not be unreasonably withheld).

(f) The rights granted to the Insurer hereunder to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the holders of the Insured Bonds nor does such action evidence any position of the Insurer, positive or negative, as to whether Bondholder consent is required in addition to the consent of the Insurer.

(g) In the event that the principal and/or interest due on the Insured Bonds shall be paid by the Insurer pursuant to the Policy, the Insured Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City and all covenants, agreements and other obligations of the City to the registered owners shall continue to exist and shall run to the benefit of the Insurer, and the Insurer shall be subrogated to the rights of such registered owners. The term "Outstanding" under the Indenture includes Insured Bonds described in this clause (g).

(h) The City shall pay or reimburse the Insurer, but only from Revenues and subject and subordinate to all then existing liens on and pledges of Revenues as security for the payment of System Obligations, any and all charges, fees, costs and expenses which the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in the Indenture; (ii) the pursuit of any remedies under the Indenture or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture whether or not executed or completed, (iv) the violation by the City of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Indenture or the transactions contemplated thereby, other than amounts resulting from the failure of the Insurer to honor its obligations under the Policy.

## **ARTICLE IX**

### **Miscellaneous**

**Section 9.01. Second Supplemental Indenture as Part of Indenture.** This Second Supplemental Indenture shall be construed in connection with and as a part of the Indenture and all terms, conditions and covenants contained in the Indenture, except as herein modified and except as restricted in the Indenture to Senior Lien Obligations of another Series, shall apply and be deemed to be for the equal benefit, security and protection of the Bonds.

**Section 9.02. Supplements or Amendments.** This Second Supplemental Indenture may be supplemented or amended in the manner set forth in Articles VII and VIII, respectively, of the Indenture.

**Section 9.03. Severability.** If any provision of this Second Supplemental Indenture shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

**Section 9.04. Payments Due on Saturdays, Sundays and Holidays.** If any payment of interest or principal or redemption premium on the Bonds is due on a date that is not a Business Day, payment shall be made on the next succeeding Business Day with the same force and effect as if made on the date which is fixed for such payment, and no interest shall accrue on such amount for the period after such due date.

**Section 9.05. Counterparts.** This Second Supplemental Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 9.06. Rules of Interpretation.** Unless expressly indicated otherwise, references to Sections or Articles are to be construed as references to Sections or Articles of this instrument as originally executed. Use of the words “herein,” “whereby,” “hereunder,” “hereof,” “hereinbefore,” “hereinafter” and other equivalent words refer to this Second Supplemental Indenture and not solely to the particular portion in which any such word is used.

**Section 9.07. Captions.** The captions and headings in this Second Supplemental Indenture are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Sections of this Second Supplemental Indenture.

**Section 9.08. Additional Notices.** Copies of all notices, certificates or other communications given to the City or the Trustee pursuant to the requirements of the Indenture or the Second Supplemental Indenture at the addresses set forth in Section 1103 of the Indenture shall be given to the Insurer at the same time and in the same manner.

IN WITNESS WHEREOF, the City has caused these presents to be executed in its name and with its official seal hereunto affixed and attested by its duly authorized officials; and to evidence its acceptance of the trusts hereby created, the Trustee has caused these presents to be executed in its corporate name and attested by its duly authorized officers, as of the date first above written.

## **SECTION 1: Purpose of Agreement**

**SECTION 3: Provision of Mutual Aid; Membership in Special Operations Squad**

The Parties agree to the following terms regarding the provision of mutual aid and membership of the Special Operations Squad:

- A. Membership of The Joliet Police Department Special Operations Squad. Joliet hereby authorizes law enforcement officers of Channahon to become members of Joliet's Special Operations Squad. Membership in the SOS is a specific form of mutual aid under this Agreement and is authorized for any purpose described in the Joliet Police Department Special Operations Squad General Order in its current form and as may be amended from time to time. Except as otherwise provided in this Agreement, the policies and procedures set forth in the Joliet Police Department Special Operations Squad General Order in its current form and as may be amended from time to time, shall apply to SOS operations.
- B. Requesting Mutual aid. Whenever a Participating Municipality becomes affected by a Disaster or Emergency that requires resources beyond those that it is capable of providing, the Authorized Representative of the Requesting Department may request mutual aid from the Authorized Representative of the Responding Department. Any request for mutual aid under this Agreement shall, whenever reasonably possible, include a statement of whether the mutual aid needed is for the SOS or not, the amount and type of equipment and number of law enforcement personnel requested, and shall specify the location to which the equipment and personnel are to be dispatched.
- C. Responding to a Request for Mutual Aid. Upon receiving a request for mutual aid, the Authorized Representative of the Responding Department may activate this Agreement and provide such mutual aid to the Requesting Department. In this situation, the Responding Department's Authorized Representative shall:
  - 1. immediately determine if the personnel and equipment designated in the Mutual Aid Assignments are available; and, if so,
  - 2. promptly dispatch some or all of the personnel and equipment designated in the Mutual Aid Assignments to the location(s) specified by the Requesting Department.

- D. Non-Liability for Failure or Refusal to Provide Mutual Aid. The provision of mutual aid under the terms of this Agreement is optional. Notwithstanding any other provision of this Agreement, the Authorized Representative of the Responding Department may deny a request for mutual aid in his or her discretion if they determine that providing mutual aid will impair its ability to serve its own jurisdiction. If the Authorized Representative of the Responding Department denies a request for mutual aid, they shall immediately notify the Authorized Representative of the Requesting Department. A Participating Municipality shall not be liable for its failure or refusal to provide mutual aid, delay in providing mutual aid, or failure to respond to a request for mutual aid in a timely manner.
- E. Operational Control. All personnel of the Responding Department shall report to the Requesting Department's officer in tactical control at the location to which said law enforcement personnel have been dispatched and shall be under the operational command of the Requesting Department's Chief Law Enforcement Officer or their designee. Law enforcement officers participating in the Special Operations Squad shall be under the command authority of the SOS Commander.
- F. Personnel to Abide by Their Employer's Policies and Procedures. Law enforcement officers providing mutual aid under this Agreement shall abide by their employer's policies and procedures. For law enforcement officers participating in the Special Operations Squad, in the event of a conflict, the policies and procedures set forth in the Joliet Police Department Special Operations Squad General Order in its current form and as may be amended from time to time, shall control.
- G. Termination or Withdrawal of Mutual Aid. The Responding Department's personnel and equipment shall be released and returned to duty in their jurisdiction as soon as the situation is restored to a point where the Requesting Department is capable of handling the response with its own resources. The Responding Department may also withdraw its mutual aid, including from the Special Operations Squad, at any time and for any reason at the discretion of the Authorized Representative.
- H. No Reimbursement for Personnel and Equipment Costs. Each Participating Municipality shall be individually responsible for the costs it incurs in providing mutual aid under this Agreement.
