STAFF REPORTS

Ms. Bernhard shared that the National Park Service Regional Grants Coordinator visited the November 30th presentation regarding the Illinois State Penitentiary-Joliet National Register Historic District. Ms. Bernhard commented that the NPS Grants coordinator indicated that another Underrepresented Communities grant could be applied for to amend the ISP-Joliet NRHD for national significance. Ms. Johnson asked what the process is to get it approved. Ms. Bernhard said a consultant firm would need to be engaged to put together the research and this process would likely take a year-and-a-half. Mr. Mikottis asked if the additional national recognition as a would qualify the property for more grants. Ms. Bernhard said yes. She also stated that there is interest in designating the site as National Historic Landmark too, which would require that the NRHD is deemed as “nationally significant” before even being considered by the NHL program. Ms. Bernhard gave an update on the Downtown National Register Historic District, indicating that the full designation process of the River Edge Redevelopment Zone project will not be wrapped up until 2025. Ms. Johnson asked if NRHD program provided individual downtown buildings with designation plaques. Ms. Bernhard said no. Ms. Bernhard gave an update on the Casseday house. A new lease agreement has been signed by the History of Wheels with the City of Joliet. Ms. Bernhard talked about the Equitable Transit Oriented Development Plan.

COMMISSIONER COMMENTS

Ms. Johnson announced that historic properties in Joliet that are being rented are not being maintained properly. Ms. Merwin said that 406 Buell Avenue has removed the pillars in front of the home and she would like to know if work is being done without permits. Ms. Johnson asked if the homes will have to be historic to protect them from changes. Mr. Mikottis said adding an additional 7,500 single family homes in the last year due to changes in the rental inspection program may have been biting off more than Neighborhood Services can chew. Ms. Johnson stated that she thought the shortage of Neighborhood Services inspectors has not helped with the situation. Mr. Mikottis said it also seems that the City is having a hard time

keeping up with the clerical work associated with the inspection process. Ms. Bernhard indicated that she would arrange a meeting with the City's new Neighborhood Services Director to discuss Historic Preservation Commission concerns.

Ms. Merwin asked if Joliet Public School District #86 has an archive that could be used as a Resource. Ms. Merwin also asked about the background of the religious facilities in the South End Neighborhood area. Ms. Bernhard answered that District #86 does not have a collection of the history for their former and current buildings and noted that she has checked with the Superintendent in the past.
