SECTION 2: That ORDINANCE 17928 shall be amended as follows:

Section 9: Sick Leave

- (a) Accrual Each Group I, II, III and IV employee shall accrue twelve (12) hours of paid sick leave for each month of paid employment. Each employee shall be permitted to accrue up to a maximum of 2,426 hours of paid sick leave.
- (b) Compensation for Unused Sick Leave

- (1) Employees hired on or before December 31, 2024. Each Group I, II, III and IV employee who has been employed by the City as a full time employee for at least eight years and who terminates employment with or has his or her employment terminated by the City shall receive compensation for a percentage of accrued sick leave up to a maximum of 1,012 hours as follows:

Employee Group	Compensation Percentage
Group I	50%
Group II	45%
Group III and Group IV	40%

Compensation for unused sick leave shall not be payable to an employee terminated for cause by the City if any other applicable law or ordinance requires the forfeiture of this benefit.

- (2) Employees hired on or after January 1, 2025. Each Group I, II, III and IV employee who has been employed by the City as a full time employee for at least eight years and who terminates employment with or has his or her employment terminated by the City has the option of:

- i. Receiving compensation for a percentage of accrued sick leave up to a maximum of 1,012 hours as follows:

Employee Group	Compensation Percentage
Group I	50%
Group II	45%
Group III and Group IV	40%

- ii. An employee with over 600 hours of accrued sick leave may defer payment of their accrued sick leave to be used for payment of City-provided retiree insurance premiums at retirement up to a maximum of 1,012 hours as follows:

Employee Group	Compensation Percentage
Group I	50%
Group II	45%
Group III and Group IV	40%

By selecting this option, the employee is deferring payment under option (i) above. This deferral is permanent and once selected cannot be undone.

Compensation for unused sick leave shall not be payable to an employee terminated for cause by the City if any other applicable law or ordinance requires the forfeiture of this benefit.

- (a) Group Health Insurance The City shall provide group health insurance benefits for each non-union full-time employee covered by this Agreement, and their qualifying dependents, in accordance with the Plan Documents, costs, and schedule of benefits adopted by City Council annually.
- (b) Group Term Life Insurance Each Group I, II, III and IV employee shall receive term life insurance coverage while employed by the City in the amount of \$50,000.
- (c) Group Long Term Disability Insurance Each full-time employee shall receive long-term disability insurance coverage in accordance with a plan approved by the City Council.
- (d) Working Spouses and Dependents of Full-Time Exempt Employees

- (1) Primary Coverage Limited In the event the spouse or a dependent of an active employee enrolled in the City's group health insurance plan is employed on a non part-time basis (defined 36 hours or more per week on average), and the spouse or dependent is eligible for health insurance provided by his or her employer, then the spouse or dependent shall not be insured by the City on primary basis. Coverage by the City on a secondary basis shall be available, provided the spouse or dependent has enrolled with his or her employer for primary coverage, the spouse or dependent is properly enrolled in the City's Plan and all applicable premiums and copayments are paid as required.
- (2) Duty of Employee to Notify City of Status of Spouse or Dependent The City shall provide an annual open enrollment process in which the employee shall be required to provide sufficient information to the City to establish the proper status of a spouse or dependent in order to determine eligibility for benefits and appropriate premiums and copayments under this Section. In addition, employees shall notify the City of a spouse or dependent becoming eligible for employer-provided health insurance within thirty (30) days of such eligibility. The City shall also permit mid-year changes in enrollment status of spouses and dependents due to changes in employment status.

An employee's failure to timely notify the City of a change in the status of a spouse or dependent, or to provide complete and accurate information required by the City pursuant to this Section may constitute just cause for discipline and for the denial or limitation of benefits and for the reimbursement of benefits improperly paid.

- (3) Coordination of Benefits-Dependent Children of Parents not Separated or Divorced or of Divorced Parents Having Joint Custody In the event that a dependent child is covered by more than one health insurance plan, then the plan covering the parent whose birthday falls earlier in the year shall provide primary coverage for the dependent child. If both parents have the same birthday, then the plan that has provided coverage longer shall provide primary coverage.
- (4) Coordination of Benefits-Dependent Children of Divorced or Separated Parents In the event that a dependent child is covered by more than one health insurance plan, then the plan covering the parent with custody of the child shall provide primary coverage and the plan of the spouse of the parent having custody shall provide secondary coverage. The plan of the parent not having custody of the child shall provide the next level of coverage.

The foregoing notwithstanding, if an order or decree issued by a court of competent jurisdiction provides a different method of coordination of benefits, then such method shall govern and control upon proper notification to the affected plans.

Eligible separating employees shall be entitled to receive Hospital Benefits, Physician Benefits and Prescription Drug Program Benefits, but not Dental Benefits or Vision Benefits, in accordance with the Plan Documents and schedule of benefits adopted annually by the City Council.

The eligible retiree shall be responsible for the additional cost of covering eligible qualifying dependents. The retiree shall pay the applicable monthly premiums for that portion of the benefits payable by the retiree.

The eligible retiree shall be responsible for 100% of the cost of these benefits. The retiree shall pay the applicable monthly premiums for the portion of the benefits selected. Failure to remit payments timely will result in the termination of this benefit.

SECTION 3: No Vested Right in Benefits This Ordinance shall not establish any vested right in any salary or fringe benefit for any employee. Nothing in this Ordinance shall be construed to create a contractual right to a position, salary or an increase in salary or benefit conferred by this Ordinance. The Mayor and City Council reserve the right to modify or terminate any benefit conferred by this Ordinance without notice and without cause.
