**DATE:** January 15, 2026  
**TO:** Zoning Board of Appeals  
**FROM:** Ray Heitner - Planner  
**RE:** Petition Number: 2025-51 & 2025-52  
    Applicant: Ronald Schelling  
    Owner: Timpanogas, LLC  
    Location: 1701 Drauden Road  
    Request: 2025-51: A Special Use Permit to allow a self-storage facility, located at 1701 Drauden Road (COUNCIL DISTRICT #3)  
                  2025-52: A Variation of Use to allow a B-3 (general business) use in the B-1 (neighborhood business) zoning district, located at 1701 Drauden Road (COUNCIL DISTRICT #3)

---

### **Purpose**

The applicant is requesting a Variation of Use and a Special Use permit to allow a self-storage facility in a B-1 (neighborhood business) District. The City Council makes the final decision on both the Special Use Permit and Variation of Use petition requests.

### **Site Specific Information**

The 3.86-acre subject property is Lot 2 of the 10.41-acre two-lot commercial subdivision at the northwest corner of Drauden Road and Theodore Street that the City Council approved on December 1, 2020. A Gas N Wash fueling center was constructed on Lot 1. The property is zoned B-1 (neighborhood business) District. Access to the subject property would be from Drauden Road. The storm water detention system for Lot 1 would be expanded and shared to accommodate the proposed facility.

### **Surrounding Zoning, Land Use and Character**

- North: Com Ed Easement, R-2 (single-family residential)
- South: Gas Station; B-1 (neighborhood business)
- East: Single-Family Residential, R-2.
- West: Com Ed Easement, R-2 (single-family residential)

### **Applicable Regulations**

- Section 47-11.4: Prohibited Uses – B-1 Zoning District
- Section 47-17.28: Variation of Use

- Subsection 47-19.8: Finding of Fact Supporting a Variation (See below)
- Section 47-13.2A (I): Special Uses – B-3 Zoning District
- Section 47-5.2(C) Criteria for Issuance of Special Use Permit

**Section 47-17.28: Variation of Use:** A "variation of use" shall be defined to mean relief from strict compliance with the use limitations of this Ordinance regarding the classification, regulation, and restriction of the location where trades, industries, businesses, and residences may exist.

### **Case History**

This proposal was brought before the Zoning Board of Appeals in 2021 and in 2023. In 2021, the Zoning Board of Appeals recommended approval, but the petitions were not approved by the City Council. In 2023, the motion to approve the petitions failed by a vote of 3-4. The petitions were subsequently withdrawn prior to City Council consideration. Primary concerns from neighborhood residents in opposition to the petition in 2023 included concerns over squatters living in the facility and increased traffic and noise in the area. Meeting minutes of the Zoning Board of Appeals and City Council meetings from the previous years are attached, and videos of these meetings are available on the City's website.

The public hearing for the petitions was originally scheduled for the November 20, 2025, Zoning Board of Appeals meeting, but has been deferred twice at the applicant's request.

### **Discussion**

The petitioner proposes to build an indoor, climate-controlled storage facility with accessory outdoor mini-storage units on Lot 2 of the Gas and Wash Theodore and Drauden Subdivision. The Joliet Zoning Ordinance allows self-storage facilities in the B-3, I-1, and 1-2 Zoning Districts upon Special Use Permit approval. The subject property is zoned B-1 (neighborhood business) District, where self-storage facilities are not listed as a by-right or special use, and therefore, per the Joliet Zoning Ordinance, is considered a prohibited use. For these reasons, the request requires both a Special Use Permit and a Variation of Use approval.

The petitioner feels that the subject property cannot accommodate a traditional neighborhood commercial use, and that the proposed self-storage facility use provides a service to residents not readily available nearby. The Zoning Ordinance requires at least one (1) year to elapse before a petition can be reintroduced through the Zoning Board of Appeals / City Council process. Since over 2.5 years have passed from the City Council's April 2023 vote, the petitioner desires that that Zoning Board of Appeals and City Council review the proposal again.

This proposal includes a one-story, 10,950 square foot climate controlled indoor facility as well as six outside-access one-story buildings with mini-storage units. The building facades that face the perimeter will be brick-faced with light and dark brick. The buildings that are located within the proposed complex would be sided with fiber cement board. In total, there would be approximately 370 storage units of varying sizes. Outdoor storage of any kind is not permitted on site. The proposed site plan and conceptual building elevations are included with the staff report packet. The proposed landscape plan shows that the site will feature dense landscaping along Drauden Road, and all landscape beds will have low berming. There will be a decorative 6' high black wrought-iron style fence along the perimeter in areas where no buildings are present.

The proposed hours of operation, during which renters can access their storage units, would be from 5:00 am to 10:00 pm. Renters of the storage units would access their units through a secured gate. The facility would be staffed by one employee. Security cameras would be positioned to review the exterior drives and the interior of Building #5.

### **Recommended Action**

Staff recommends the Zoning Board of Appeals recommend approval of the Variation of Use and Special Use Permit requests. While staff does not find that strict enforcement of the permitted uses of the B-1 Zoning District would involve practical difficulties or impose exceptional hardship considering the property in question can yield a reasonable return if permitted to be used only under the conditions allowed by the regulations in the B-1 Zoning District, staff does find adequate evidence that the unique circumstances exist with the shape and location of the site. Staff also finds that adequate evidence was submitted to establish that the Variation of Use, if granted, will not alter the essential character of the locality. The proposed self-storage facility is a service-oriented use and with the scale, buffering, and other considerations that are built into the Special Use Permit process, meets the spirit and intent of a B-1 (neighborhood business) Special Use. Staff does not believe the proposed facility would be detrimental to the health, safety, and welfare of the surrounding neighborhood, nor would it be injurious to the use and enjoyment of other property in the immediate vicinity. The proposed self-storage facility business would be buffered by a 350-ft. utility easement along its west side, share a southern boundary with an existing gas station and car wash, and have a 100-ft. separation, with an additional 30-ft.-wide landscape easement, from the existing residential neighborhood on the east side of Drauden Road. The facility would be secured with fencing and be required to meet the City's stormwater management regulations and building design standards. Staff does not believe the proposed use will impede the normal and orderly development of surrounding property. The applicant has provided a plan that shows adequate roadway access that would minimize traffic ingress and egress to Drauden Road by using an existing curb cut. If the requested Variation of Use petition were granted, the requested Special Use Permit would not be in violation of the City's

Zoning Ordinance. Over one year has elapsed since the last Special Use Permit request was denied for this property.

### **Conditions**

If the Zoning Board of Appeals desires to recommend approval of the Variation of Use and Special Use Permit requests to allow a self-storage facility, located at Drauden Road and Theodore Street, the following conditions would be included:

1. That no outside storage be allowed on site;
2. That the Special Use granted shall herein terminate and lapse unless a building permit or certificate of occupancy is obtained not later than 180 days of the effective date of this ordinance and the erection or alteration of a building is started or the use is commenced within such period. The Board may grant an extension of this period, valid for no more than one hundred and eighty (180) additional days, upon written application and good cause shown without notice or hearing. Whether or not there is an intention to abandon the Special Use, if any special use is discontinued for a continuous period of one year, or if an intent to abandon the Special Use is evident in a shorter period of time, the Special Use for such use shall become void, and such use shall not thereafter be reestablished unless a new Special Use Permit is obtained;
3. Failure to comply with any of the above conditions could result in a rehearing and a possible revocation of the special use permit; and
4. Should the property be declared a public nuisance, it shall be subject to a rehearing and a possible revocation of the Special Use Permit.

PRESENT USE(S) OF PROPERTY: Vacant

PRESENT ZONING OF PROPERTY: City of Joliet B-1

SPECIAL USE REQUESTED: Construction of a Self-Storage facility

The Zoning Board of Appeals is authorized to grant a special use permit provided the applicant establishes by clear and convincing evidence:

- (1) That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare; and
- (2) That the special use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood; and
- (3) That the establishment of the special use will not impede the normal and orderly development and improvement of surrounding property for uses permitted in the district; and
- (4) That adequate utilities, access roads, drainage, and/or other necessary facilities have been or will be provided; and
- (5) That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets; and
- (6) That the special use shall in all other respects conform to the applicable land use regulations of the district in which it is located and shall not be in violation of any other applicable law, ordinance or regulation; and
- (7) At least one (1) year has elapsed since any denial of any prior application for a special use permit that would have authorized substantially the same as all or part of the sites, unless conditions in the area have substantially changed.

Please describe how this request meets the criteria by responding to the following questions in your own words.

1. How will the establishment, maintenance, or operation of the special use affect the public health, safety, morals, comfort, or general welfare?

The proposed site is located to the north of an existing gas station with auto wash and it will not create any concerns regarding public health, safety, morals, comfort or general welfare

2. How will the special use impact properties in the immediate area? The proposed conceptual plan has solid screening via the back sides of one-story storage buildings around the perimeter of the site, thus blocking all onsite storage activities.

3. Will the use impede the normal/orderly development/improvement of surrounding property?

The proposed development will not have any negative impacts on the surrounding property, as the site is to the north of a gas station, easterly of an electrical high tension power line right of way and across the street from a residential neighborhood.

4. Are adequate utilities, access roads, drainage, and/or other necessary facilities provided?

The subdivision this lot is a part of was designed to handle a business development on Lot 2 and the self storage will conform to the intended proposed use.

5. Have adequate measures been taken to provide ingress/egress design to minimize traffic congestion in public streets?

Access to Lot 2 will be a shared access via existing entrance constructed for the gas station

6. Does the use conform to the applicable land use regulations of the district in which it is located and does it violate any other applicable law, ordinance or regulation?

To the best of my knowledge, self storage is an applicable land use of the district and it will not violate any other applicable law, ordinance or regulation.

7. Has at least one (1) year elapsed since any denial of any prior application for a special use permit that would have authorized substantially the same as all or part of the sites (unless conditions in the area have changed substantially)?

Yes

PRESENT USE(S) OF PROPERTY: Vacant

PRESENT ZONING OF PROPERTY: City of Joliet B-1 Zoning

VARIATION OF USE REQUESTED: to allow a B-3 use in a B-1 zoning district.

The end user would like to construct a Self-Storage facility.

#### **RESPONSE TO VARIATION OF USE CRITERIA**

The Zoning Board of Appeals is authorized to grant or recommend relief only when it has received adequate evidence to establish a practical difficulty or hardship. The evidence must support each of the following three conditions:

- (a) The property in question cannot yield a reasonable return by use permitted and subject to the conditions allowed by the regulations in the particular district or zone.
- (b) The plight of the owner is due to unique circumstances.
- (c) The variation, if granted, will not alter the essential character of the locality.

**Please describe how this request meets the criteria by responding to the following questions in your own words.**

*1. How do the applicable zoning regulations prevent the property in question from yielding a reasonable return?*  
A self-storage facility is an ideal fit for this location and the current zoning district of B-1 does not permit a B-3 use.

2. *What unique circumstances exist which mandate a variance?*

The irregular shape of the property makes it an ideal parcel for self-storage

3. *What impact would the granting of this variance have upon the essential character of the general area? Please include both positive and negative impacts.*

I cannot see any negative impacts as the development will help shield the residential development to the east from the high tension electrical wires to the west.

**PETITION 2021-43: A Variation of Use to allow the continuation of an existing rental unit in a garage (a two-unit) in a R-2 (Single-Family Residential) Zoning District, located at 429 Buell Avenue** [TMP-2240](#)

Attachments: [ZBA 2021-43 \(429 Buell Avenue\) Staff Report Packet](#)

Mr. James Torri read the staff report into the record.

Chairman Hennessy swore in Mr. Kamar Tiller, 429 Buell Avenue, Joliet, IL. Mr. Tiller appeared on behalf of this petition. Mr. Tiller explained that he purchased the property because of the neighborhood and the potential for extra income with the coach house. Mr. Tiller thoroughly vets prospective tenants to ensure his family's safety. Mr. Tiller has fully complied and made necessary repairs to ensure the unit is to code. Ms. Roehr asked about the carriage house. Ms. Bernhard explained that the current structure is not a carriage house and it is not the same structure that was originally built there. Ms. Roehr asked Mr. Tiller if the Realtor or Attorney who handled the sale of the home checked into the rental unit to find out if it was legal. Mr. Tiller stated that the Realtor he used was

not local to the area. Mr. Tiller said the previous owners told him they were renting the unit out for years, so he assumed the use would just carry over.

Chairman Hennessy swore in Mr. Perry McCue, 808 Mason Avenue, Joliet, IL appeared in opposition to this petition on behalf of the Cathedral Area Preservation Association (C.A.P.A.). Mr. McCue is recommending denial of this petition because the addition of more rental units in the neighborhood is detrimental to the character of the Cathedral area.

Ms. Roehr asked if an approval would remain if the property is sold, Mr. Torri said yes as long as the main home is owner-occupied the use can continue. Ms. Safford asked if other homeowners would like to add rental unit over the garage, would they be allowed to do so. Mr. Torri said no, the only reason this petition is being heard is because Mr. Tiller filed to get the variation of use approval. Mr. Torri also said all homeowners have a right to file for approval, but each case will be handled individually. Mr. Torri stated approval for new construction of a unit will most likely not move forward. Mr. Torri explained that the difference with this property is the coach house unit has existed since the 1960s, the homeowners would just like to legalize the existing use. Mr. Torri stated there may be similar uses like this and similar uses have also been heard in the past. Ms. Bernhard stated the 1968 Joliet zoning map did list this area as multi-family residential, when the coach house unit was erected, multi-family use was allowed. Ms. Bernhard stated years later the area was down-zoned. Ms. Roehr said that she has visited lots of homes in the area and some of them have similar carriage houses.

Mr. Tiller said he understands that there may be similar uses, but he would like a chance to do things that right way.

Chairman Hennessy asked if any one would like to speak on behalf of the petition. No one came forward.

A motion was made by Jim Riggs, seconded by Brigitte Roehr, to approve PETITION 2021-43: A Variation of Use to allow the continuation of an existing rental unit in a garage (a two-unit) in a R-2 (Single-Family Residential) Zoning District, located at 429 Buell Avenue. A motion was made by Brigitte Roehr, seconded by Jim Riggs, to approve PETITION 2021-44: A Variation of Use to allow a self-storage facility that includes indoor-climate-controlled and outdoor mini-storage units in a B-1 (Neighborhood Business) District, located at Drauden Road, Northwest of Theodore.

Mr. James Torri read the staff report into the record.

Chairman Hennessy swore in Mr. Nathaniel Washburn, 111 N. Ottawa Street, Joliet, IL. Mr. Washburn appeared on behalf of this petition. Mr. Washburn explained that the property owner believed they were purchasing a legal two-unit residence, they were not aware it was illegal until they applied for building permits. Mr. Torri explained that this property did have R-3 one & two family residential zoning, but it was down-zoned to R-2 single family by the City of Joliet. Ms. Roehr asked what the condition of the units were, Mr. Washburn said the entire structure needs renovation. The prior owner let the residence go into disrepair and Mr. Washburn believes the property may have been classified as a public nuisance. Ms. Roehr asked if the homeowner will re-sell the house if the

variation of use is not approved. Mr. Washburn said it is unknown at this time, he does not know what the property owner will do if the variation of use is not approved by the Zoning Board of Appeals and City Council.

Chairman Hennessy asked if any one else would like to speak on behalf of the petition. No one came forward.
