

## **AGREEMENT FOR PROFESSIONAL SERVICES**

THIS AGREEMENT, MADE AS OF THIS 1<sup>st</sup> day of July, 2025, by and between the City of Joliet, Illinois, an Illinois Municipal Corporation, (hereinafter called the "City") and RJN Group Inc., (hereinafter called the "Consultant"), collectively referred to as the "Parties" herein, is an AGREEMENT for professional services.

NOW, THEREFORE, the City and the Consultant in consideration of the mutual covenants hereinafter set forth agree as follows:

### **SECTION 1 – SERVICES OF THE CONSULTANT**

1.1 The Project scope of work is defined in the attached document: Proposal for Professional Engineering Service for 2026 Sanitary Sewer & Lateral Rehabilitation Programs.

1.2 The City and the Consultant, by mutual agreement, shall determine the final schedule.

1.3 The Consultant shall perform its services consistent with the professional skill and care ordinarily provided by Consultants in their line of work. The Consultant will use their best professional judgment in the course of the work. Design criteria, guidelines and other standards shall be supplemented by the professional judgment of the Consultant. Deviations from design criteria, guidelines and other standards shall be called to the attention of the City's representative.

### **SECTION 2 – THE CITY'S RESPONSIBILITIES**

The City will:

2.1 Provide full information as to the requirements for the Project in a timely manner in which the Consultant may reasonably rely on with regard to its completeness and accuracy.

2.2 Designate in writing a person to act as the City's representative with respect to the work to be performed under this Agreement; and such person shall have complete authority to transmit instructions, receive information, interpret, and define the City's policies and decisions with respect to materials, equipment elements and systems pertinent to the work covered by this Agreement.

2.3 Guarantee access to and make all provisions for the Consultant to enter upon the City's facilities as required for the Consultant to perform their work under this Agreement.

2.4 Examine all studies, reports and other documents presented by the Consultant and shall render decisions pertaining thereto within seven (7) calendar days from receipt so as not to delay the work of the Consultant.

2.5 Obtain approval of all governmental authorities having jurisdiction over the Project and such approvals and consents from such other individuals or bodies as may be necessary for completion of the Project.

### SECTION 3 – PAYMENTS TO THE CONSULTANT

3.1 The City will pay the Consultant for the professional services performed under SECTION 1, in an amount not to exceed \$114,100.

3.2 Invoices for payment shall be submitted by Consultant to the City, together with reasonable supporting documentation. The City may require such additional supporting documentation as City reasonably deems necessary or desirable. Payment to Consultant shall be made in accordance with the Illinois Local Government Prompt Payment Act, after City's receipt of an invoice and all such supporting documentation.

3.3 Payment to the Consultant for expenses associated with direct costs or reimbursable expenses, as dictated by the Agreement and/or Scope of Services, shall be made upon presentation of receipts for costs or expenses.

### SECTION 4 – TIME OF COMPLETION

4.1 The Consultant shall complete the project within 180 days of the date of execution of this Agreement, subject to time extensions to such schedule arising from delays beyond Consultant's control. To the extent Consultant is impacted by such delays, Consultant shall be entitled to an adjustment to its schedule for performance.

4.2 Time is of the essence for this Agreement.

4.3 The Consultant shall commence work within ten (10) calendar days of the date of execution of this Agreement or such other time mutually agreed to by the Parties in writing.

4.4 The Consultant may request an extension to complete the scope of work, and the City may grant such extension in a subsequent contract amendment.

### SECTION 5 – RIGHTS TO DELIVERABLES

5.1 Deliverables, as defined in the Scope of Work, shall become the City's permanent property upon payment by the City to the Consultant.

5.2 Consultant shall not use photographs of the Deliverables for project competition, awards of any nature, project testimonials, presentations, advertising, proposals, professional papers, public display, or any other use without obtaining prior written approval from the City's representative. Any photographs taken of City property in the execution of the Consultant's work may not be re-used by the Consultant for project competition, awards of any nature, project testimonials, advertising, proposals, presentations, professional papers, public display, or any other use without obtaining prior written approval from the City's representative.

## SECTION 6 – REMOVAL AND REPLACEMENT OF PERSONNEL

6.1 Consultant (for the duration of the term of the Agreement) will not, without obtaining the City's prior written consent not to be unreasonably withheld, replace, or alter the assignment of its lead personnel, to the extent their respective availability is reasonably within the Consultant's control.

6.2 Consultant shall promptly remove any person assigned to perform the Services in the event of notification by the City that he/she is no longer acceptable, irrespective of any prior City consent. Replacement of lead personnel, prior to assignment, will be subject to the City's approval, which shall not be unreasonably withheld.

6.3 A violation by Consultant of paragraph 6.1 and/or 6.2 may be considered a substantial and material breach of Agreement, for which termination and damages otherwise provided by Law or the Agreement may be claimed.

6.4 The City's right to request the removal of Consultant's personnel from the Services as set forth in paragraph 6.2 does not expressly or implicitly create an employer-employee relationship between the City and personnel assigned by Consultant. Such a relationship is expressly denied herein by Consultant and the City.

## SECTION 7 – INSURANCE

The Consultant shall maintain for the duration of the Agreement, insurance purchased from a company, or companies lawfully authorized to do business in the State of Illinois and having a rating of at least A-minus as rated by A.M. Best Ratings. Such insurance will protect the Consultant from claims set forth below which may arise out of or result from the Consultant's operations under the agreement and for which the Consultant may be legally liable, whether such operations be by the Consultant or by a SubConsultant or by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:

Worker's Compensation Insurance covering all liability of the Consultant arising under the Workers' Compensation Act and Occupational Diseases Act; limits of liability not less than statutory requirements.

Employers Liability covering all liability of Consultant as employer, with limits not less than: \$1,000,000 per injury – per occurrence; \$1,000,000 per disease – per employee; and \$1,000,000 per disease – policy limit.

Comprehensive General Liability in a broad form on an occurrence basis, to include but not be limited to, coverage for the following where exposure exists; Premises/Operations, Contractual Liability, Products/Completed Operations for 2 years following final payment, Independent Consultant's coverage to respond to claims for damages because of bodily injury, sickness or disease, or death of any person other than the successful proposers employees as well as claims for damages insured by usual personal injury liability coverage which are sustained (1) by a person as a result of an offense directly or indirectly related to employment of such person by the Consultant, or (2) by another person and claims for damages, other than to the Work itself, because

of injury to or destruction of tangible property, including loss of use there from; Broad Form Property Damage Endorsement;

|                         |              |
|-------------------------|--------------|
| General Aggregate Limit | \$ 2,000,000 |
| Each Occurrence Limit   | \$ 1,000,000 |

Automobile Liability Insurance shall be maintained to respond to claims for damages because of bodily injury, death of a person or property damage arising out of ownership, maintenance, or use of a motor vehicle. This policy shall be written to cover any auto whether owned, leased, hired, or borrowed.

|                       |             |
|-----------------------|-------------|
| Each Occurrence Limit | \$1,000,000 |
|-----------------------|-------------|

Professional Liability Insurance shall be maintained to respond to claims for damages due to the Consultant's errors and omissions.

|                      |             |
|----------------------|-------------|
| Errors and Omissions | \$1,000,000 |
|----------------------|-------------|

Consultant agrees that with respect to the above required insurance:

1. The CGL policy shall be endorsed for the general aggregate to apply on an annual basis.
2. To provide separate endorsements: to name the City of Joliet and its officers and employees as additional insured as their interest may appear, and to provide 30 days' notice, in writing, of cancellation or material change.
3. The Consultant's insurance shall be primary in the event of a claim.
4. The City of Joliet shall be provided with Certificates of Insurance and endorsements evidencing the above-required insurance, prior to commencement of an agreement and thereafter with certificates evidencing renewals or replacements of said policies of insurance at least thirty (30) days prior to the expiration of cancellation of any such policies.
5. A Certificate of Insurance that states the City of Joliet and its officers and employees have been endorsed as an "additional insured" by the Consultant's general liability and automobile liability insurance carrier. Specifically, this Certificate must include the following language: "The City of Joliet and its officers and employees are, and have been endorsed, as an additional insured under the above reference policy number P-630-5Y000855-PHX-24 on a primary and non-contributory basis for general liability and automobile liability coverage for the duration of the contract term."

Failure to Comply: In the event the Consultant fails to obtain or maintain any insurance coverage required under this Agreement, the City of Joliet may purchase such insurance coverage and charge the expense thereof to the Consultant. Such insurance shall be maintained in full force and effect during the life of the Agreement and shall protect the Consultant, its employees, agents and representatives from claims for damages, for personal injury and death and for damage to property

arising in any manner from the negligent or wrongful acts or failures to act by the Consultant, its employees, agents and representatives in the performance of the work covered by the Agreement. The Consultant shall also indemnify and save harmless the City from any claims against, or liabilities incurred by the Consultant of any type or nature to any person, firm or corporation arising from the Consultant's wrongful or negligent performance of the work covered by the Agreement.

#### SECTION 8 – SUCCESSORS AND ASSIGNS

The City and the Consultant each binds himself and his partners, successors, executors, administrators and assigns to the other party of this Agreement and to the partners, successors, executors, administrators and assigns of such other party, in respect to all covenants of this Agreement; except as above, neither the City nor the Consultant shall assign, sublet or transfer his interest in this Agreement without the written consent of the other. Nothing herein shall be construed as creating any personal liability on the part of any employee, officer or agent of any public body or the Consultant which may be a party hereto, nor shall it be construed as giving any rights or benefits hereunder to anyone other than the City and the Consultant.

#### SECTION 9 – NON-DISCRIMINATION

In all hiring or employment made possible or resulting from this Agreement, there shall be no discrimination against any employee or applicant for employment because of sex, age, race, color, creed, national origin, marital status or the presence of any sensory, mental or physical handicap, unless based upon a bona fide occupational qualification, and this requirement shall apply to, but not be limited to, the following: employment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. No person shall be denied or be subjected to discrimination in receipt of the benefit of any services or activities made possible by or resulting from this Agreement on the grounds of sex, race, color, creed, national origin, age except minimum age and retirement provisions, marital status, or the presence of any sensory, mental, or physical handicap. Any violation of this provision shall be considered a violation of a material provision of this Agreement and shall be grounds for cancellation, termination, or suspension, in whole or in part, of the Agreement by the City.

#### SECTION 10 – MODIFICATION OR AMENDMENT

This Agreement constitutes the entire Agreement of the Parties on the subject matter hereof and may not be changed, modified, discharged, or extended except by written amendment duly executed by the Parties. The Consultant agrees that no representations or warranties shall be binding upon the City unless expressed in writing herein or in a duly executed amendment hereof, or authorized or approved Change Order as herein provided.

#### SECTION 11 – APPLICABLE LAW AND DISPUTE RESOLUTION

11.1 This Agreement shall be deemed to have been made in and shall be construed in accordance with the laws of State of Illinois.

11.2 Any controversy, claim or dispute arising out of or relating to the interpretation, construction, or performance of this Agreement, or breach thereof, shall be referred to the

American Arbitration Association (the “AAA”) for a voluntary, non-binding mediation in the municipality where the Services are provided and to be conducted by a mutually acceptable single mediator, in accordance with then applicable Construction Industry Mediation Rules, prior to resorting to litigation to any State or Federal Court located nearest to where the Services are provided. Neither party shall be liable for any indirect, incidental, or consequential damages of any nature or kind resulting from or arising in connection with this Agreement. The Parties shall share the cost of the mediator’s services equally.

WITH RESPECT TO ANY SUCH LITIGATION, EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY AND WILLINGLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES HERETO, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTION(S) CONTEMPLATED HEREBY AND/OR THE RELATIONSHIP ESTABLISHED AMONG THE PARTIES HEREUNDER.

## SECTION 12 – TERMINATION OF THE CONTRACT

### 12.1 TERMINATION BY THE CONSULTANT

If the Work is stopped for a period of thirty days under an order of any court or other public authority having jurisdiction, through no fault of the Consultant, or if the City has not made timely Payment thereon as set forth in this Agreement, then the Consultant may upon twenty-one (21) days written notice (from postmark) to the City, terminate the Agreement.

### 12.2 TERMINATION BY THE CITY

In the event of any breach of this Agreement by the Consultant, the City may, at its option, serve the Consultant with a written seven (7) day notice (from postmark) with the Consultant’s option to cure the breach, or the City may engage the services of another Consultant to complete the work and deduct the cost of such completion from any amount due the Consultant hereunder, or the City may either pause or terminate the contract.

IN WITNESS WHEREOF, the undersigned have placed their hands and seals upon and executed this Agreement in triplicate as though each copy hereof were an original and that there are no other oral agreements that have not been reduced to writing in this statement.

**SUBJECT: PROPOSAL FOR PROFESSIONAL ENGINEERING SERVICES – 2026  
SANITARY SEWER & LATERAL REHABILITATION PROGRAMS**

Dear Mr. Dean:

RJN Group, Inc. (RJN) is pleased to submit this proposal to provide Professional Engineering Services to the City of Joliet (City) for the **2026 Sanitary Sewer and Lateral Rehabilitation Programs**.

RJN, established in 1975, is a professional engineering consulting firm focused on providing innovative engineering solutions and field services. With over 90% of our clients being municipalities and public utilities, and over 85% of our work focused on sewer collection systems, we are uniquely qualified for this project.

On January 21, 2022, RJN submitted a Statement of Qualifications (SOQ) to the City of Joliet for Professional Consulting Services for Sanitary Sewer Investigations & Rehabilitation. Following the submittal and interview process, RJN was selected by the City for this work.

**Key Project Goals and Objectives**

The City of Joliet has established an annual program to investigate, rehabilitate, and improve the overall performance of their sanitary and combined sewer collection systems.

The 2026 Sanitary Sewer and Lateral Rehabilitation Programs will be implemented in the Krings Acres (KA) area, which was previously investigated in 2023.

- The sanitary sewer rehabilitation is currently scheduled for 2026.
- The sanitary lateral rehabilitation is anticipated to follow in 2028-2029.

The KA area in the City of Joliet is a mixed residential and commercial neighborhood bounded by Black Road to the south, Larkin Avenue to the west, Ingalls Avenue and the Briargate area to the north, and Catherine Street to the east. Additional sections include the Lois Place area west of Larkin Avenue and the area south of Black Road between Larkin Avenue and Westshire Drive, extending to the southern properties on Mason Avenue.

The KA area is tributary to the East Side Wastewater Treatment Plant and is known to have properties with foundation drains (footing tiles) connected to the sanitary sewer. In 2012, footing tile separation was completed for properties within the KA subdivision, though other parts of the study area are still

suspected to have connected foundation drains. The area also contains non-reinforced concrete pipe, prompting the rehabilitation of approximately 5,000 linear feet of mainline sewer in 2018 and 2019.

The rehabilitation programs aim to enhance the condition of the sanitary sewer collection system. KA was prioritized due to high peak flows observed during the 2015 Combined Sewer Program flow monitoring and the aging infrastructure's declining structural integrity.

These comprehensive rehabilitation programs encompass a range of critical activities such as cured-in-place pipelining, grouting, full-wrap lateral lining and various manhole rehabilitation techniques.

The sanitary sewer rehabilitation task is part of the **fourth year of the second 5-year sewer rehabilitation program** and focuses on preparing 'Year 9' for bidding and subsequent construction.

By designing and executing these improvements, the City is committed to ensuring the longevity, reliability, and efficiency of KA's sewer system.

This proposal of services pertains to the following:

**1. Design of the Sanitary Lateral Rehabilitation Program (anticipated in 2028-2029)**

The sanitary lateral rehabilitation program includes the installation of **up to 335 lateral liners, ranging in diameter from 8 to 33 inches**. The breakdown is as follows:

- 315 5-ft lateral liners,
- 18 20-ft lateral liners,
- 2 straight lateral liners.

The estimated construction cost for the sanitary sewer rehabilitation program is **between \$1.7 million and \$1.9 million**.

**2. Design of the 2026 Sanitary Sewer Rehabilitation Program (Year-9)**

The sanitary sewer rehabilitation program includes the following components:

- 8 point repairs  
Note: Design for the point repairs is not included. These repairs must be completed prior to any lining work.
- 26,500 linear feet of mainline CIPP  
Pipe diameters range from 8 to 24 inches.
- Approximately 200 lateral connection grouts
- Approximately 170 manholes requiring rehabilitation.

The estimated construction cost for the sanitary sewer rehabilitation program is **between \$2.6 million and \$2.9 million**.

### 3. Project Management and Meetings

Overall management will also be provided. Hours for project management and design review meetings will be allocated.

RJN will provide access to its online data hosting platform Clarity™, that includes status of data collection, access to data collected, field collected media for flow monitoring and construction activities.

## PROJECT TEAM AND EXPERIENCE

### Team

The RJN Team assigned to this project includes the following professionals: Yann Gallin as Project Manager, Patrick Hulsebosch as Assistant Project Manager, Jon Merki and Emily Tate as Project Engineers, and Marco Lopez as GIS Senior Specialist. Yann Gallin will also oversee Client Management and Quality Assurance/Quality Control (QA/QC).

### Experience

Over the last 50 years, RJN has successfully executed more than 2,000 sewer programs and assessed 291 million feet of pipelines. These comprehensive evaluations have culminated in nearly \$400 million worth of construction improvements nationwide. Among the recent local endeavors are the 2024 Sanitary Sewer Rehabilitation Program and the Bluff Street Interceptor Rehabilitation Project.

## ASSURING QUALITY AND SAFETY

### Quality Assurance

RJN is committed to providing **quality** deliverables. The completion of these inspections is critical in providing actionable results for the City. As collection system specialists, RJN has built data review processes that ensure that all data is accurate. Our engineers and field inspection crews hold industry-standard NASSCO certifications for defect coding, and are extensively trained on all field inspection tasks. RJN's internal Quality Control tools, as well as our corporate training and Quality Assurance processes in place, will ensure that the program will provide value for the City.

### Safety

As an employee-owned firm, RJN's commitment to the **safety** of our employees, City staff, and the public is paramount. RJN demonstrates that commitment to safety in our internally developed and audited safety program where our goal is to have all field staff, engineers, and project managers "RJN Safety Certified." Every project follows RJN's health and safety guidelines when completing any field work.

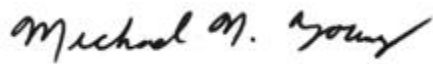

## PRICE AND SCHEDULE SUMMARY

This project will be invoiced on a Time and Materials basis for a **total not-to-exceed fee of \$114,100**. The sanitary lateral and sewer rehabilitation programs are expected to be completed **by December 19, 2025**. The complete Scope of Services, Pricing, and Schedules are provided in the following exhibits:

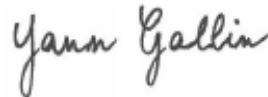

- Exhibit A – Scope of Services
- Exhibit B – Pricing
- Exhibit C – Schedule
- Exhibit D – Maps

We are looking forward to the opportunity to work with the City of Joliet on this important project. It is our pleasure to submit this proposal to you. Please feel free to contact **Yann at 847-899-8723** if you would like to discuss this proposal or have any questions.

Sincerely,

Michael N. Young, PE

## SCOPE OF SERVICES

---

The scope of services for this program will include the rehabilitation design of the following components (approximate quantities):

- 26,500 linear feet of CIPP lining
- 200 lateral grouts
- 170 manholes
- 335 lateral liners
- All associated site grading, paving, roadway, and parkway restoration.

RJN is proposing the following scope of services to complete this task.

- **Design of the Sanitary Lateral Rehabilitation Program (anticipated construction work in 2028-2029)**
  1. Prepare for and attend a kick-off design meeting.
  2. Review rehabilitation recommendations to confirm work to be completed.
  3. Prepare a 60% submittal detailed schedule and construction plan set for the recommended rehabilitation of laterals including lateral cleaning and lining as follows:
    - a. Cover Sheet
    - b. General Notes and Summary of Quantities
    - c. Sequencing of Construction and watermain project areas (if applicable)
    - d. Sanitary lateral Rehabilitation Sheets including:
      - i. Lateral cleaning and televising,
      - ii. Lateral lining,
      - iii. Identification of IDOT roadways.
    - e. Construction Details

Note: The 90% and final submittals, along with the bidding documents, will be developed as part of a future sanitary sewer rehabilitation program. Specifications are not required at this stage.

4. GIS exhibits will be utilized to prepare the Construction Plan Set (no survey required)
5. Prepare a 60% submittal Opinion of Probable Construction Cost.
6. Provide one (1) progress review submittals at 60%
7. Perform a quality control/quality assurance review for 60% submittal.
8. Provide project management for the duration of the design project and attend meetings as needed with City staff.

- **Design of the 2026 Sanitary Sewer Rehabilitation Program (Year-9)**
  1. Prepare for and attend a kick-off design meeting.
  2. Review rehabilitation recommendations to confirm work to be completed.
  3. Prepare detailed schedules and a construction plan set for the recommended rehabilitation work including mainline cleaning & televising and CIPP lining, lateral grouting and manhole rehabilitation work as follows:
    - a. Cover Sheet
    - b. General Notes and Summary of Quantities
    - c. Sequencing of Construction and watermain project areas (if applicable)
    - d. Sanitary Sewer Rehabilitation Sheets including:
      - i. Cleaning and televising,
      - ii. CIPP mainline lining,
      - iii. Mainline and lateral grouting,
      - iv. Do Not Grout laterals,
      - v. Parcels identified for dye testing,
      - vi. Identification of IDOT roadways.
    - e. Sanitary Manhole Rehabilitation Sheets
    - f. Construction Details
  4. GIS exhibits will be utilized to prepare the Construction Plan Set (no survey required)
  5. Prepare Contract Front End Documents and detailed Specifications:
    - a. Update City's front-end documents,
    - b. Utilize EJCDC specifications with only project specific modifications,
    - c. Prepare detailed project Specifications.
  6. Prepare an Opinion of Probable Construction Cost.
  7. Coordinate permitting with the City and other governmental agencies. IDOT permits/letter of authorizations will likely be needed for the rehabilitation of segments along IL-7. Provide exhibits, documentation, correspondence, and plans for permitting process as needed. The letter will be processed and finalized under the construction contract.
  8. Provide two (2) progress review submittals at 60% and 90% of Plans, Specifications and Opinion of Probable Construction cost for City review and comment prior to bidding.
  9. Perform a quality control/quality assurance review for each submittal and final plans and specifications.
  10. Prepare a final bid package with plans, front-end documents, and specifications. Submit a pdf of the final bid package to the City.
  11. Bidding Assistance:
    - a. Prepare Addenda as needed.
    - b. Respond to Contractors' questions.
    - c. Prepare a letter of recommendation for the award.
  12. Provide project management for the duration of the design project and attend meetings as needed with City staff.

## ITEMS REQUESTED FROM THE CITY

1. Updated GIS geodatabases and/or shape files for all sewer system programs.
2. Televising of sewers (if necessary).
3. Assistance with IDOT permitting and other regulatory agencies as applicable.
4. Updated City's front-end documents.
5. Completion of point repairs prior to lining.
