Memo

File #: TMP-9931

Agenda Date: 8/5/2026

TO: Communication, Technology & Information Systems Committee

FROM: Chris Sternal, Director of IT

SUBJECT:

Award of Contract to Sierra ITS for Professional Services Funding in the Amount of \$275,000.00

BACKGROUND:

The Information Technology Department utilizes professional services to supplement staffing, meet fluctuating operational demands, and support project-based work. This model provides the City with the flexibility to draw on specialized expertise as needed, ensuring continuity of services without long-term staffing commitments. Professional services have proven to be an efficient way to respond to emerging priorities, maintain service levels, and align technical resources with organizational needs.

CONCLUSION:

Continued access to professional services remains essential for supporting the City's operations, addressing variable workload levels, and ensuring readiness for project assistance. This approach allows the City to scale support appropriately while maintaining cost-effective and adaptable resource options.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Three of these circumstances apply:

- (b) Purchases for additions to and repairs and maintenance of equipment owned by the City which may be more efficiently added to, repaired or maintained by a certain person;
- (f) Purchases when authorized by a concurring vote of two-thirds of the Mayor and City Council;
- (g) Purchases of professional services.

Sufficient Funds exist utilizing the Information Technology Professional Services budget (Org 04001000, Object 523300, \$275,000.00)

RECOMMENDATION:

It is recommended that this item be forwarded to City Council with a recommendation to approve.

Sierra ITS Services & Costs

Prepared for the City of Joliet

Section I - Company Information

Field	Information
Company Name	Sierra ITS
Business Address	2515 Waukegan Road, Ste 2, Deerfield, IL 60015
Main Phone Number	847-734-1990
Business Contact	Richard Doran, rdoran@sierraits.com, 312-734-1989
Operational Contact	Scott Van Lyssel, svl@sierraits.com, 312-805-2001
Website	www.SierralTS.com

Section II - Executive Summary

Sierra ITS helps the City of Joliet keep critical technology operations running smoothly by providing proven IT talent quickly and accurately, without requiring long-term fixed-employment commitments. Since 1994, Sierra has specialized in IT staffing and has built its reputation on quality, service, and long-term client support.

Our value is simple: we reduce the time and effort required to find dependable technical resources while giving the City flexibility to match staffing levels to actual workload. Whether support is needed for peak demand, project work, staff transitions, or specialized technical gaps, Sierra consultants operate as an extension of your team.

Sierra has supported public-sector organizations, including the Village of Schaumburg, Village of Glencoe, Village of Gurnee, and the City of Lake Forest. We understand the need for reliable service, professional communication, cost visibility, and consultants who can contribute immediately in a municipal environment.

Why Sierra ITS Delivers Value

- **Focused IT expertise:** Sierra specializes in technology staffing, allowing us to assess technical experience, communication style, and fit with greater precision.
- **Faster access to qualified talent:** Our recruiters combine relationship-driven recruiting with sourcing technology, digital recruiting platforms, resume databases, market intelligence, and targeted outreach tools to identify the best available talent.
- **Reduced hiring burden:** Sierra handles sourcing, screening, reference checks, payroll administration, taxes, workers' compensation, liability coverage, and consultant support.
- **Flexible staffing model:** The City can scale support up or down as workload changes, avoiding the cost and risk of permanent headcount for temporary or project-based needs.
- **Retention and continuity:** Competitive consultant compensation, paid holidays, paid vacation eligibility, and ongoing support help Sierra retain motivated professionals who remain focused on client success.

Talent Sourcing and Screening

Before assigning a contract employee or consultant, Sierra works with City staff to understand the technical environment, work expectations, schedule requirements, supervisor preferences, and success criteria. This front-end alignment helps us submit candidates who match the City's actual needs, not just a keyword list.

Each consultant is evaluated through a structured process that includes in-depth recruiter interviews, technical review, and recent work-related reference checks. We review actual work history, depth of experience, quality of prior environments, presentation, communication skills, and ability to explain technical work in context.

Our experienced technical recruiting team continuously develops candidate pipelines through referrals, our corporate website, professional networks, digital platforms, and modern sourcing tools. This gives the City access to a deeper and more current talent pool than traditional posting alone.

Value Added Services for the City of Joliet

- Customized billing and reporting, including monthly and year-to-date consultant expenditures by department to support budgeting and planning.
- Electronic invoicing and reporting that can include bill rates, supervisor names, employee names, departments, and invoice numbers.
- City-specific consultant orientation covering facility directions, dress code, payroll and timecard procedures, supervisors, hours, duties, and overtime procedures.
- Quality Performance Program to gather client and consultant feedback and monitor technical knowledge, quality of work, productivity, initiative, and interpersonal skills.

Hiring Practices, Compliance, and Insurance

Sierra ITS is an Equal Opportunity Employer and is in full compliance with the Americans with Disabilities Act. Each consultant completes the Employment Eligibility Verification Form I-9 documentation in compliance with United States requirements.

Sierra assumes responsibility for required tax withholding, wage payment, FICA contributions, Federal and State Unemployment taxes, Workers' Compensation, Fidelity, and Liability insurance coverage. Sierra also maintains a workplace substance abuse policy prohibiting the sale, purchase, possession, or use of narcotics, alcohol, or illegal substances in the workplace.

Section III - Costs

The following cost schedules summarize the proposed staffing and professional services rates for Sierra ITS support to the City of Joliet. Rates are presented for board review and provide transparent pricing for both dedicated staffing and flexible professional services support.

Dedicated Computer Technician Staffing

Position / Service	Quantity	Bill Rate	Engagement Type
Full-Time Computer Technician	3	\$60.00/hr	Full-time staffing support

Professional Services Ratesheet 2026-2027

Organization: Sierra ITS | Date: 5.12.2026

Memo

File #: TMP-9933

Agenda Date: 8/5/2026

TO: Communication, Technology and Information Systems Committee

FROM: Chris Sternal, Director of IT

SUBJECT:

Award of Contract to CDWG for the Renewal of Cradlepoint NetCloud Mobile Router Licensing in the Amount of \$49,207.09

BACKGROUND:

The City continues to rely on Cradlepoint NetCloud Essentials for Mobile Routers to support, secure, and manage its mobile network infrastructure. These devices provide dependable wireless connectivity for city vehicles, field personnel, and remote operational sites, ensuring uninterrupted communication and access to critical systems. NetCloud delivers key capabilities such as real-time network monitoring, enhanced security controls, and seamless integration with existing IT resources. This service remains vital for units operating in the field, including public safety and other mobile staff, by providing stable, secure, and managed connectivity wherever it is needed.

CONCLUSION:

To maintain the high level of reliability and security provided by the Cradlepoint NetCloud platform, the City must renew its existing subscription licenses for the upcoming term. This renewal is essential to ensure that all mobile units continue to benefit from consistent connectivity and the advanced management features required for their day-to-day operations.

To ensure competitive pricing, the renewal will be purchased using the Sourcwell-State of IL R-257160 Gov Only contract.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Two of these circumstances apply:

- (b) Purchases for additions to and repairs and maintenance of equipment owned by the City which may be more efficiently added to, repaired or maintained by a certain person;
- (f) Purchases authorized by a concurring two-thirds vote of the Mayor and City Council;

Sufficient Funds exist utilizing the Information Technology Repairs and Maintenance budget (Org 04013000, Object 524300, \$49,207.09)

QUOTE CONFIRMATION

Pricing and Availability Notice

Due to ongoing supply chain challenges, some hardware manufacturers cannot guarantee product availability or pricing until the product is shipped. While we make every effort to honor quoted pricing, if a hardware manufacturer increases its price to CDW after a quote is issued or order is accepted, we may need to update your quoted price to reflect that change irrespective of any timeframes or validity periods set forth in the quote, including up to the date of shipment. In the event of a price adjustment, we will notify you prior to shipment. Any price adjustment would only occur if the hardware manufacturer increases its pricing to CDW.

IT INVOICES,

Thank you for considering CDW•G for your technology needs. The details of your quote are below. **If you are an eProcurement or single sign on customer, please log into your system to access the CDW site.** You can search for your quote to retrieve and transfer back into your system for processing.

Memo

File #: TMP-10140

Agenda Date: 8/5/2026

TO: Communication, Technology & Information Systems Committee

FROM: Chris Sternal, Director of IT

SUBJECT:

Award of Contract to Lenovo for 2026 PC Lifecycle Program in the Amount of \$85,000.00

BACKGROUND:

The City continues to maintain a robust inventory of Lenovo laptops and desktops, along with essential peripherals such as docking stations, monitors, and soundbars. To ensure optimal performance and security, the IT Department follows a structured PC Lifecycle Program, replacing laptops every four years and desktops every five years. Peripherals are updated as needed to support evolving technology requirements.

CONCLUSION:

For 2026, we propose to allocate \$85,000 to support the ongoing replacement and upgrade of our computing assets. This funding will enable us to maintain a modern, reliable fleet, minimize downtime, and ensure compatibility with current software and security standards. All equipment purchases will be made under the IL-MHEC-06302022 contract, which guarantees competitive pricing and compliance with procurement regulations.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Three of these circumstances apply:

(b) Purchases for additions to and repairs and maintenance of equipment owned by the City which may be more efficiently added to, repaired or maintained by a certain person;

(f) Purchases when authorized by a concurring vote of two-thirds of the Mayor and City Council;

Sufficient Funds exist utilizing the Information Technology Infrastructure Repairs and Maintenance budget (Org 04013000, Object 524300, \$85,000.00)

RECOMMENDATION:

It is recommended that this item be forwarded to City Council with a recommendation to approve.

5WS1L39239	3Y Premier Support Plus upgrade from 3Y Onsite

Configuration Summary	21-Jul-26	Lenovo
-----------------------	-----------	---------------

Line No.	3
Part Number	21WQS4AM00
Country/Region	US
Product Name	NB TP T14 G7 U5 16G 512G 11P WWAN Touch PD T14

Product Configuration Details

Characteristics	VALUES
Country/Region	USA
Warranty	3 Year On-site
Preload Type	Standard Image (Preload)
AI Agent	No AI Agent
Preload OS	Windows 11 Pro 64
vPro Certified Model	Non vPro
Processor	Intel® Core™ Ultra 5 325 Processor (LPE-cores up to 3.40 GHz P-cores up to 4.50 GHz)
Security Chip Setting	Enabled Discrete TPM2.0
Color	Black
Electronic Privacy Filter	No ePrivacy Filter
Computer Vision	No Computer Vision
Display	14" WUXGA (1920 x 1200), IPS, Anti-Glare, Touch, 100%sRGB, 500 nits, 60Hz, Low Power
Graphics	Integrated Graphics
Camera	5MP RGB with Microphone and Privacy Shutter
Fingerprint Reader	Fingerprint Reader
CAMM Memory	16 GB LPDDR5X-8533MT/s (CAMM2)
Storage Selection	512 GB SSD M.2 2280 PCIe Gen4 TLC Opal
Wireless LAN	Intel® Wi-Fi 7 BE211 2x2 BE & Bluetooth® 5.4
WWAN Selection	WWAN
Wireless WAN	Qualcomm® Snapdragon™ X61 5G Modem-RF System (Sub-6 GHz)
WWAN SIM Card	No WWAN SIM Card
NFC	No NFC
Ethernet	Wired Ethernet
System Expansion Slots	No Smart Card Reader
Battery	3 Cell Rechargeable Li-ion 60Wh
Power Adapter	65W USB-C 90% PCC 2pin AC Adapter - US
Rapid Charge	Rapid Charge
Keyboard	Backlit, Black - English (US)
Publication	Publication - Polish/Portuguese/English
OS DPK	W11 Pro CP+ STD
Preload Language	Windows 11 Pro 64 English (US)/English (UK)
System Unit	T14G7 U5 325 IG+BE211
Display Shell	14" WUXGA (1920 x 1200), IPS, Anti-Glare, Touch, 100%sRGB, 500 nits, 60Hz, Low Power, 5MP RGB with Microphone and Privacy Shutter, Black
Pointing Device	Trackpad, Fingerprint, No NFC, WWAN, Black, 24W
Package Box Type	Single Standard Packaging

TERMS AND CONDITIONS

Prices quoted are valid through 07-Sep-2026 but are subject to change due to events outside Lenovo's reasonable control which may necessitate a price increase, including but not limited to price increases directly or indirectly caused by changes in taxes, tariffs, import/export quotas, or other market changes. Unless specifically identified in this quote, pricing quoted does not include applicable taxes, fees, tariffs, changes due to import/export quotas, or other charges which may be imposed on the items purchased.

Unless there is a specific written agreement between purchaser and Lenovo, all purchases are subject to the Lenovo Terms and Conditions (the "Lenovo Terms") displayed at the following internet address: https://static-assets.lenovo.com/pdf/SSG_Commercial_Terms_and_Conditions.pdf

The terms of this price quote shall supersede any conflicting terms contained in a customer purchase order. Any conflicting or additional terms contained in such purchase order are not valid and will not be considered a part of any agreement between the parties related to this quote, its acceptance, or Lenovo's acceptance of a related order.

The prices set out in this Lenovo quotation are valid only for the period expressly stated herein and are subject to change due to events outside Lenovo's reasonable control which may necessitate a price increase, including but not limited to price increases directly or indirectly caused by changes in taxes, tariffs, import/export quotas, material increase in component costs or other market changes. In such cases, and notwithstanding any separate written agreement, Lenovo may adjust price and re-issue the quote at any time prior to shipment even if Lenovo has confirmed the receipt of Customer's order and/or accepted Customer's order. Any such separate written agreement shall be deemed amended to include the foregoing upon acceptance of a purchase order by Lenovo. Lenovo will notify Customer of any changes in pricing for products purchased prior to shipment of product. Unless specifically identified in this quote, pricing quoted does not include applicable taxes, fees, tariffs, changes due to import/export quotas, or other charges which may be imposed on the items purchased

Unless there is a specific written agreement between purchaser and Lenovo, all purchases are subject to the Lenovo Terms and Conditions (the "Lenovo Terms") displayed at the following internet address: <https://download.lenovo.com/lenovo/content/pdf/tnc/tc2.pdf>. The terms of this price quote shall supersede any conflicting terms contained in a customer purchase order. Any conflicting or additional terms contained in such purchase order are not valid and will not be considered a part of any agreement between the parties related to this quote, its acceptance, or Lenovo's acceptance of a related order.

Notwithstanding any agreement to the contrary, even if included in the Lenovo Terms, Lenovo shall not be liable for any failure or delay in the performance of any potential obligations, to the extent such failure or delay is caused by acts of God, fire, flood, earthquakes, accidents, explosions, other elements of nature; strikes or any labor disturbance; shortage of labor, fuel, power, or raw materials; inability to obtain (or a material increase in cost of) supplies, raw materials, or fuel; inability to obtain, or delays of, transportation facilities; acts of war; terrorism, sabotage, riots, civil disorders, restraints, rebellions, or revolutions; epidemics or pandemics; communication line or power failures; acts of government, governmental laws or regulations whether valid or invalid (including, but not limited to, priorities, requisitions, allocations, imposed tariffs, import/export quotas, and price adjustment restrictions); court orders, regulations or directions of government, or any officer, department, agency or committee thereof, for purposes of national defense or national interest; or any other cause beyond the reasonable control of Lenovo.

Did you know that Lenovo can help wrap all your hardware, software, and services into a single cost-effective lease by using Lenovo Global Financial Services (LGFS)? Enhance financial agility, align IT investments with business goals, and maintain top performance with continuous support. **Ask us how!**

- ✓ **Preserve cashflow:** Keep funds available for business-critical needs by reducing the upfront costs associated with your IT spend
- ✓ **Predictable costs, flexible spending:** Enjoy fixed payments that align technology expenses directly to your usage, giving you clear budgeting and the ability to scale IT spend as you grow
- ✓ **Access the latest Lenovo technology:** Keep your IT environment modern and competitive with flexible upgrade paths and lifecycle management, avoiding the risk of outdated assets and disposal requirements supporting sustainability initiatives
- ✓ **Streamlined IT Partnership:** Seamlessly combine Lenovo hardware and services with flexible financing options to boost IT performance and empower your team with hassle-free technology management

Financing Option

Currency	Purchase Option	36 Month Lease Option	48 Month Lease Option	60 Month Lease Option
USD	13,717.00	369.64 / Month	313.37 / Month	275.17 / Month

QUOTATION PROPOSAL:

1. The sale and/or provision of goods and services by Lenovo is conditioned on Lenovo having signed the required agreement(s) with you allowing for the sale and/or provision of those goods and services. In the absence of any such agreements, Lenovo's then-current terms and conditions in the jurisdiction you are transacting shall govern.
2. In addition to (1) above, acceptance by Lenovo of any purchase order issued pursuant to this quotation is subject to your (i) having issued a purchase order referencing this quotation number for the full amount stated under this quotation and (ii) your order having been confirmed in writing as accepted by Lenovo. No purchase order placed by you shall be deemed accepted unless Lenovo issues a written acceptance. This quotation is not capable of acceptance.
3. Prices in this quotation are exclusive of value added taxes and any other tax or duty which (where applicable) must be added to the price payable.
4. Prices provided are subject to Lenovo's final credit approval and Lenovo reserve the right to revise prices in this quotation including without limitation to take into account increases in costs of materials, carriage, labour or the increase or imposition of any tax, duty, tariff or other levy and any variation in exchange rates.
5. This quotation supersedes all prior oral and written proposals and related communications, and documents in respect of the same subject matter.
6. Quoted monthly price is based on a lease to use product. At the end of the agreed term, you can either return the device with no further payments or extend the term.

Thank you for choosing Lenovo!

Memo

File #: TMP-10141

Agenda Date: 8/5/2026

TO: Communication, Technology & Information Systems Committee

FROM: Chris Sternal, Director of IT

SUBJECT:

Award of Contract to SHI for a Three Year Microsoft Enterprise Licensing Agreement in an Amount not to Exceed \$1,278,214.47

BACKGROUND:

The City relies on Microsoft 365 for essential productivity and communication tools. This year, we conducted a formal RFP process for our three-year enterprise licensing renewal, resulting in a proposed partnership with SHI International Corp. After negotiations, we finalized a budgetary quote that includes per-unit costs for the contract term, with annual true-ups at contract rates.

Unlike the previous cycle, which used a state purchasing contract, this renewal was competitively bid to ensure transparency and favorable pricing. Approval is requested for funding not to exceed \$1,278,214.47, covering all required licenses and services for 2026-2029.

CONCLUSION:

Approval is requested for funding not to exceed \$1,278,214.47 for the three-year Microsoft Enterprise Licensing contract with SHI. This contract is payable annually at the City's true-up, with the following annual breakdown:

- 2026: \$410,109.09
- 2027: \$426,071.49
- 2028: \$442,033.89

These amounts cover all required licenses and services for 2026-2029, ensuring continued access to essential productivity and security tools at locked-in pricing.

For year one (2026), sufficient funds exist utilizing the Information Technology Admin Contractual Services budget (Org 04001000, Object 524200, \$410,109.09). Funding will be appropriately budgeted in subsequent years.

RECOMMENDATION:

It is recommended that this item be forwarded to City Council with a recommendation to approve.

This quote has been marked as budgetary, as certain pricing may require approval from Microsoft. Please note, SHI is unable to process Purchase Orders against budgetary quotes. Kindly reach out to your SHI sales team for a Final Quote once you have determined your required counts and licenses.

Thank you for choosing SHI International Corp! The pricing offered on this quote proposal is valid through the expiration date listed above. To ensure the best level of service, please provide End User Name, Phone Number, Email Address and applicable Contract Number when submitting a Purchase Order. For any additional information including Hardware, Software and Services Contracts, please contact an SHI Inside Sales Representative at (888) 744-4084. SHI International Corp. is 100% Minority Owned, Woman Owned Business. TAX ID# 22-3009648; DUNS# 61-1429481; CCR# 61-243957G; CAGE 1HTF0

The products offered under this proposal are Open Market and resold in accordance with the terms and conditions at [SHI Online Customer Resale Terms and Conditions](#).

Memo

File #: TMP-10142

Agenda Date: 8/5/2026

TO: Communication, Technology & Information Systems Committee

FROM: Chris Sternal, Director of IT

SUBJECT:

Award of Contract to VideoTec for Access Control and Surveillance at 9 Osgood in the Amount of \$72,927.00

BACKGROUND:

The City issued a Request for Proposal (RFP) for the integration of access control and surveillance systems at 9 Osgood (Pace Building), seeking Genetec-certified firms to connect the facility to the city's existing Genetec security infrastructure.

The project scope includes outfitting standard doors and overhead doors with access control, as well as installing multiple internal and external cameras for comprehensive coverage.

Three qualified vendors responded to the solicitation. After careful review, it was determined that the proposals from the other two vendors were significantly more expensive than Videotec's submission. Videotec's proposal not only met all technical requirements but also offered the most cost-effective solution, with a total project cost of \$72,927.00.

CONCLUSION:

Based on a thorough evaluation of all submitted proposals, Videotec Corporation has demonstrated both the technical expertise and competitive pricing necessary to deliver the access control and surveillance upgrades.

Awarding the contract to Videotec will ensure that the City receives a high-quality, reliable security system that aligns with operational needs and budgetary constraints. This decision supports the City's goal of providing a safe and secure environment for staff and MMD operations at the Osgood facility.

Sufficient Funds exist within the Fleet Service budget (Org 09016000, Object 557500, \$72,927.00)

RECOMMENDATION:

It is recommended that this item be forwarded to City Council with a recommendation to approve.

PROJECT OVERVIEW

Videotec will integrate the *9 Osgood Street* Pace Building into the city's state-of-the-art Genetec Video Management System. All programming will be conducted by the City of Joliet.

The security upgrades consist of nine new Axis cameras and 14 new card readers around the facility (four overhead garage doors, four exterior doors, six interior doors). New electric strikes will be installed at each door, and door closures will be installed at the PD and IT Storage doors, as well as the MDF.

All network on the north end of *9 Osgood* will run back to IDF 1. All cables for the southern part of the building will be run back to the existing server rack located in the Management Office. All cables will be dressed into server rack and terminated into new Cat6 unloaded patch panels.

The system will consist of the following hardware installed inside the existing MDF.

- (2) Altronix 8-Door Controllers w/ Power Supply
- (2) 24 Port Unloaded Patch Panels
 - o All associated patch cords
- Necessary Wire Management

The City of Joliet will provide network switches for this facility.

Please see below for a detailed camera matrix for the facility.
