All clocks are under a standard maintenance plan beginning when the clocks are shipped. This includes replacement of your current clock if it cannot be fixed through the standard helpdesk process. A clock will be shipped out the same day if the order is placed before 12:00 p.m. Eastern Time. Otherwise, the clock will be shipped the following day.

Testing Your Badges

Testing your organization's existing badges or fobs ensures they are compatible with time clocks for Time & Attendance. Follow the instructions below and our team can begin compatibility testing.

- Send your sample badge and/or fob to the address below. If there are various types you plan on using with the clock, please send one sample of each.

- Fill in the information below and include with the package.

- Once received testing should be done within 3 to 4 business days and you will be contacted by your account representative with your results.

- Your samples will be sent back within approximately two weeks.

PLEASE SEND TO:
Control Module, Inc.
Attn: Badge Test/Craig Normandin
89 Phoenix Ave. Enfield, CT 06082
Cnormandin@controlmod.com

Include the form below in your package:
