Memo

File #: TMP-9331

Agenda Date: 1/6/2026

TO: Public Safety Committee

FROM: Jeff Carey, Fire Chief

SUBJECT:

Approval of Purchase of 110 Additional Sets of Firefighter Turnout Gear from Air One Equipment, Inc. in the amount of \$398,310.00

BACKGROUND:

The Joliet Fire Department (JFD) outfits each department member with firefighter turnout gear. The City replaces the gear if it is beyond repair due to normal wear and tear or reaches its maximum lifespan of 10 years. The approved 2026 budget includes funding of 45 additional sets of turnout gear. To meet NFPA standards, the JFD will need to purchase an additional 110 sets of turnout gear.

The JFD currently utilizes Globe through its local vendor, Air One Equipment, Inc. The Fire Department has been using Air One Equipment, Inc. since 2020. The gear from Air One Equipment, Inc. meets the specification requirements and has been well received by Fire Department personnel with no issues or concerns. In an effort to standardize our equipment and provide turnout gear that personnel feel comfortable and confident while wearing, the Fire Department is requesting that Air One Equipment, Inc. furnish additional turnout gear sets to meet operational needs.

CONCLUSION:

Air One Equipment, Inc., is a long-time vendor to the City of Joliet. Sourcewell pricing will be utilized to secure pricing, as shown below. The Sourcewell contract, which is nationally bid, is 37% off the list price. HGAC Buy is another nationwide cooperative. The prices listed below are the 2025 pricing using the current list price, Sourcewell, and HGAC Buy (cooperative purchasing).

Prices listed are for a Bunker Coat and Bunker Pants for 2025:

<u>Sourcewell Price</u>	<u>HGAC Buy</u>	<u>Current List Price</u>
Bunker Coat: \$2,314.43	Bunker Coat: \$3,275.13	Bunker Coat: \$4,366.84
Bunker Pant: \$1,826.07	Bunker Pant: \$2,584.07	Bunker Pant: \$3,445.52
Total Both: \$4,140.05	Total Both: \$5,859.20	Total Both: \$7,812.26

Air One Equipment, Inc. has negotiated an Agreement with Globe that the City of Joliet will receive no more than a 5% increase for the years 2025, 2026, and 2027. At this time, 110 sets of turnout gear is needed, in addition to the 45 sets approved in the 2026 budget. Foreign Fire Tax will split the cost for the additional purchase of 110 sets of gear with the City. Air One Equipment, Inc. has agreed to honor 2025 pricing.

The Total for Bunker Coats and Pants for 2025, 2026, and 2027 are as follows:

	<u>Bunker Coat</u>	<u>Bunker Pants</u>	<u>Total for Both</u>	<u>Total for 110 sets</u>
2025	\$2,022.00	\$1,599.00	\$3,621.00	\$398,310.00
2026	\$2,125.00	\$1,680.00	\$3,805.00	\$418,550.00
2027	\$2,235.00	\$1,765.00	\$4,000.00	\$440,000.00

The price for the 110 sets will be \$3,621.00 per set, which equates to \$398,310.00.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases over \$25,000.00 may be awarded without written specifications or bidding under certain circumstances. One (1) of these circumstances applies:

- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council.

Sufficient funds have been requested in the 2026 budget to purchase 110 additional sets of turnout gear in the Fire Department Administrative/Uniforms Fund (Org 07001000, Obj 548000, \$398,310.00).

JFD will purchase the turnout gear for a total of \$398,310.00, however, Foreign Fire Tax will reimburse \$199,155.00 of the cost which will reimburse the Fire Department Administrative/Uniforms Fund (Org 0701000, Obj 548000).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council authorize the approval for the purchase of 110 additional sets of firefighter turnout gear from Air One Equipment, Inc. in the amount of \$398,310.00.

Agenda Date: 1/6/2026

TO: Public Safety Committee

FROM: Jeff Carey, Fire Chief

SUBJECT:

Resolution Authorizing the Execution of an Intergovernmental Agreement Between the City of Joliet and Will County

BACKGROUND:

The City of Joliet Fire Department has historically used the Will County radio frequencies to communicate with other departments outside the City of Joliet to respond to mutual aid calls for service, which will be memorialized by entering into an Intergovernmental Agreement (Agreement) with Will County. The Agreement will provide communications system access to multiple departments in the City of Joliet through the Will County owned and operated 800 MHz county-wide radio system for the purpose of daily, operable communications.

Further, the City's Public Works and Public Utilities Departments currently do not have radio communication capabilities to communicate. Having access to the Will County radio frequencies will allow them to communicate intra-departmentally and inter-departmentally when other communication methods fail or are unavailable. Additionally, entering into the Agreement with Will County will aid in command and control situations during emergencies and disasters in the City of Joliet.

The City of Joliet will not incur any immediate, direct cost due to the implementation of the Agreement.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the Resolution Authorizing the Execution of an Intergovernmental Agreement Between the City of Joliet and Will County.

WHEREAS, the City of Joliet and Will County are public agencies within the meaning of the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*; and
