Memo

File #: 349-25

Agenda Date: 6/17/2025

TO: Mayor and City Council

FROM: Allison Swisher, Director of Public Utilities

SUBJECT:

Approval of Professional Services Agreement for the Geotechnical Services for the Westside WWTP Expansion Project to SEECO Consultants Inc. in the Amount of \$51,965.00

BACKGROUND:

The design of the Westside Wastewater Treatment Plant (WWTP) Expansion Project is underway and geotechnical investigations are needed. The design of the proposed wastewater treatment plant expansion requires soil borings at 29 locations.

The Public Service Committee will review this matter.

CONCLUSION:

In 2023 the Department of Public Utilities published a request for qualifications for engineering services, including geotechnical engineering, which generated a short list of the five most qualified geotechnical engineering firms. A Request for Proposal was sent to these five firms for the work needed for the Westside Wastewater Treatment Plant expansion project. On Friday, May 16, 2022, at 3:00 pm., two (2) proposals were received. The proposal summary is as follows:

FIRM

SEECO Consultants Inc.
GSG Consultants Inc.

PROPOSAL AMOUNT

\$51,965.00
\$99,970.00

The scope of work generally includes 29 borings, environmental testing, geotechnical engineering, and plan review in preparation for the design of the Westside WWTP Expansion Project. SEECO Consultants Inc has successfully completed projects of similar scope for the City.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Two (2) of these circumstances apply:

- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council.
- (g) Purchases of professional services.

Funds will be charged to the Westside Wastewater Treatment Plant Expansion Fund / Professional Services (Org. 53980000, Object 557200, \$51,965.00).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the Professional Services Agreement for Geotechnical Services for the Westside WWTP Expansion Project, in the amount of \$51,965.00, on behalf of SEECO Consultants Inc.

Memo

File #: 345-25

Agenda Date: 6/17/2025

TO: Mayor and City Council

FROM: Greg Ruddy, Director of Public Works

SUBJECT:

Award of Contract for the 2025 Traffic Signal Materials Purchase Order No. 3 to Traffic Control Corp in the Amount of \$56,156.00

BACKGROUND:

On Tuesday, May 20, 2025, an overhead ComEd electric wire came in contact with the traffic signal pole located on the southwest corner of the intersection of Jefferson Street and Stryker Avenue. This 12,000-volt wire damaged all of the traffic signal components at the intersection. The City of Joliet Electric Division made temporary repairs to make the traffic signals operational. Due to the extensive damage to the equipment, however, new materials are needed to replace the traffic signals components. Upon receipt of the materials, the City Electric Division will complete the repairs and will submit a claim to ComEd for reimbursement of the cost of materials and labor spent on this repair.

The Public Service Committee will review this matter.

CONCLUSION:

The City of Joliet has only one (1) approved manufacturer that supplies traffic signal materials. Traffic Control Corp is the sole source supplier of the materials. Traffic Control Corp provided a quote, in the amount of \$56,156.00, for the replacement of traffic signal materials requested by the City.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of \$25,000.00 may be awarded without written specifications or bidding under certain circumstances. Two (2) of these circumstances apply:

- (a) Purchases which may only be practicably made from a single source;
- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council.

Sufficient funds exist utilizing the General Fund PW Electrical / Supplies - Equip Parts; Org 09028000, Object 536104, \$56,156.00.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the 2025 Traffic Signal Materials Purchase Order No. 3, in the amount of \$56,156.00, on behalf of Traffic Control

Corp.

Memo

File #: 350-25

Agenda Date: 6/17/2025

TO: Mayor and City Council

FROM: Allison Swisher, Director of Public Utilities

SUBJECT:

Approve Purchase of Replacement Sluice Gates for the Eastside Wastewater Treatment Plant from LAI & Associates Inc. in the Amount of \$41,700.00

BACKGROUND:

The Eastside Wastewater Treatment Plant utilizes three (3) Rodney Hunt sluice gates to isolate flow to final clarifiers No. 1-3. The gates originally installed in 1970 no longer seal and need to be replaced to ensure tank isolation.

The Public Service Committee will review this matter.

CONCLUSION:

After inspecting the sluice gates, it was determined the sealing frames are worn and it would be most cost effective to replace the gates. LAI & Associates Inc., the local Rodney Hunt representative, was contacted to submit a price for replacement gates. The cost of the new sluice gates is \$41,700.00 and will carry a one-year warranty.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases whose estimated cost is in excess of twenty-five thousand dollars (\$25,000.00) may be awarded without written specifications or bidding under certain circumstances. Three (3) of these circumstances apply:

- a) Purchases which may only be practicably made from a single source;
- c) Purchases of equipment which, by reason of training of city personnel or an inventory of replacement parts maintained by the city, are compatible with the existing equipment owned by the city;
- f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council.

Sufficient funds exist utilizing the Water & Sewer Improvement Fund / Eastside Wastewater Treatment Plant (Org 50180802, Object 557200, \$41,700.00).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the purchase of replacement sluice gates for the Eastside Wastewater Treatment Plant, in the amount of \$41,700.00, on behalf of LAI & Associates Inc.

Memo

File #: 357-25

Agenda Date: 6/17/2025

TO: Mayor and City Council

FROM: Allison Swisher, Director of Public Utilities

SUBJECT:

Approve the Payment of the 2025 Wastewater Discharge Permit Fees to the Illinois Environmental Protection Agency (IEPA) in the Amount of \$152,500.00

BACKGROUND:

Illinois law requires National Pollution Discharge Elimination System (NPDES) permit holders to pay an annual fee for the privilege of operating under the permit. The fee was first imposed in 2003 and has been payable on an annual basis since then.

At the present time, the City of Joliet has three (3) NPDES permits that are required for the discharge of wastewater and are subject to these fees.

The Public Service Committee will review this matter.

CONCLUSION:

The fee for the NPDES permit for the Westside Wastewater Treatment Plant is \$50,000.00. The fee for the NPDES permit for the Eastside Wastewater Treatment Plant is \$72,500.00. This fee includes a fee of \$50,000.00 for the Eastside Wastewater Treatment Plant, a fee of \$20,000.00 for the Combined Sewer Overflow and a \$2,500.00 Sludge Generators fee. The \$2,500.00 fee for the sludge disposal program covers the disposal of sludge material from all three (3) plants. The fee for the Aux Sable Creek Basin Wastewater Plant is \$30,000.00. The total sum for all of the NPDES permit fees is \$152,500.00.

Funds will be charged to the Water / Sewer Operating Fund / Memberships and Dues ESTP (Org 50080802, Object 518001, \$72,500.00); WSTP (Org 50080803, Object 518001, \$50,000.00), Aux Sable (Org 50080804, Object 518001, \$30,000.00).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve payment of the 2025 Wastewater Discharge Permit Fees, in the amount of \$152,500.00, on behalf of the Illinois Environmental Protection Agency.

Award of Contract for the County Line Rd (Van Dyke Rd - Kennedy Dr) Roadway Improvements Project - MFT Section No. 24-00569-00-WR to PT Ferro Construction Co. in the Amount of \$895,000.06

BACKGROUND:

The City has developed plans for roadway improvements to County Line Road from Van Dyke Road to Kennedy Drive. The improvements will consist of widening this section of roadway to a four-lane cross section and installing new sidewalk and street lighting.

The Public Service Committee will review this matter.

CONCLUSION:

On June 2, 2025, at 10:00 A.M., four (4) sealed bids were received for the County Line Rd (Van Dyke Rd - Kennedy Dr) Roadway Improvements Project. The bid summary is as follows:

<u>CONTRACTOR</u>	<u>BID AMOUNT</u>
PT Ferro Construction Co.	\$895,000.06
Austin Tyler Construction, Inc.	\$1,054,125.19
D Construction, Inc.	\$1,064,346.07
Gallagher Asphalt Corp.	\$1,126,773.44
Engineer's Estimate	\$1,515,544.50

The low bid by PT Ferro Construction Co. in the amount of \$895,000.06, is 40.94% below the engineer's estimate. Sufficient funds exist utilizing the Rebuild IL Funds (Org 20090270, Object 557200, \$895,000.06).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council award the contract for the County Line Road (Van Dyke Rd - Kennedy Dr) Roadway Improvements Project - MFT Section No. 24-00569-00-WR to PT Ferro Construction Co. in the amount of \$895,000.06.

Memo

File #: 352-25

Agenda Date: 6/17/2025

TO: Mayor and City Council

FROM: Greg Ruddy, Director of Public Works

SUBJECT:

Approval of Amendment No. 2 to the Phase I, Phase II, and Phase III Professional Engineering Services for the Joliet Centralized Traffic Management System Improvement Project - MFT Section No. 21-00546-00-TL to Iteris Inc. in the Amount of \$149,919.73

BACKGROUND:

On January 4, 2022, the Mayor and City Council approved a Professional Engineering Services contract for the Centralized Traffic Management System (CTMS) Improvement Project - Phase A to Iteris Inc. in an amount not to exceed \$364,397.00. Subsequently, the Mayor and City Council approved Amendment No. 1 in the amount of \$182,196.13.

The Public Service Committee will review this matter.

CONCLUSION:

This original professional services contract included Phase I, Phase II, and Phase III engineering services to complete the initial project development, the preparation of contract documents for the implementation / construction, as well as construction oversight. Iteris Inc. has completed the initial project development that will be used with all future phases of the project. Iteris Inc. has also prepared the contract documents used to bid and award the construction contract for the CTMS Phase A and Phase B projects. Phases A and B include the first 75 traffic signals to be included as part of the City's Centralized Traffic Management System. The City will be expanding this professional engineering services contract to include the scope of work necessary to complete Phase C of the CTMS project.

The City has asked Iteris, Inc. to submit an amendment to the Phase I, Phase II, and Phase III Engineering Services with a Scope of Services and Cost Estimate to include Phase C of the CTMS project. The Scope of Services and Cost Estimate has been received and reviewed by the Department of Public Works.

The Services will be added to the original contract utilizing the time and material rates submitted at a total cost not to exceed \$149,919.73, resulting in a new contract cost of \$696,512.86.

Section 2-438 of the City of Joliet Code of Ordinances states that purchases over \$25,000.00 may be awarded without written specifications or bidding under certain circumstances. Two (2) of these circumstances apply:

- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and

City Council;

- (g) Purchases of professional services.

Funding will be charged to the Motor Fuel Tax Funds - Rebuild Illinois budget code (Org 20090270, Object- 557200, RBLD, \$149,919.73).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve Amendment No. 2 to the Phase I, Phase II, and Phase III Engineering Services for the Joliet Centralized Traffic Management System Improvements Project in an amount not to exceed \$149,919.73 on behalf of Iteris, Inc.

Approval of Change Order No. 1 for the Well 28D Rehabilitation Project to Great Lakes Water Resources Group in the Amount of \$26,668.65

BACKGROUND:

On Tuesday, November 19, 2024, the Mayor and City Council awarded a contract to Great Lakes Water Resources Group, in the amount of \$184,226.00, for the rehabilitation of Well 28D.

The Public Service Committee will review this matter.

CONCLUSION:

Great Lakes Water Resources Group completed the removal of the pumping equipment and took it to their shop for evaluation. Upon disassembly of the pump, it was determined it was able to be rebuilt and reused. The motor was sent in for evaluation and it was determined it could be refurbished and reused. Additional funds are required to complete work not anticipated in the original scope of work. These tasks include disassembling the pump bowl, reconditioning and reassembling the bowl for reuse, providing a downhole transducer to monitor water levels in real time, and shipment of the motor to and from Texas for service. Great Lakes Water Resources Group submitted a total cost of \$26,668.65 to complete the additional work. For comparison, the cost of a new motor and pump bowl would be approximately \$215,000.00.

Funds will be charged to the Water and Sewer Improvement Fund / Water Supply / Construction (Org 50180011, Object 557200, \$26,668.65, Project Code 24065).

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve Change Order No. 1, a net increase in the amount of \$26,668.65, for the Well 28D Rehabilitation Project to Great Lakes Water Resources Group.

SUBJECT:

Approve Cost Adjustment for Thirteen (13) Navistar Chassis Purchases from 2023 for \$256,313.20

BACKGROUND:

In June and July of 2023, Fleet Services requested permission to replace thirteen (13) large dump trucks for the Departments of Public Works and Public Utilities from Rush Truck Centers Inc. These items were included in the planned vehicle replacement program from the 2023 & 2024 budget years and were approved under Council Memos #263-23 & #359-23. These chassis are finally being built and will be received two (2) model years later than the initial purchase date. This delay was anticipated in the original requests. Body upfit of the chassis are being completed under separate contract. The body upfit company has met its promise to hold pricing flat during this timeline, so only the chassis have seen the price increase.

The Public Service Committee will review this matter.

CONCLUSION:

The price difference per chassis from 2023 to 2025 is \$256,313.20 (approximately \$10K per unit, per year).

Section 2-438 of the City of Joliet Code of Ordinances states that purchases over \$25,000.00 may be awarded without written specifications or bidding under certain circumstances. One (1) of these circumstances applies:

- (f) Purchases when authorized by a concurring vote of two-thirds (2/3) of the Mayor and City Council.

Sufficient funds are available in the following: Water & Sewer Fund (Org 50180802, Object 557500, \$77,161.08), Water & Sewer Fund (Org 50180812, Object 557500, \$37,328.08) and Fleet Vehicle Replacement Fund (Org 3019000, Object 557500, \$141,824.04).

RECOMMENDATION:

Based upon the above it is recommended that the Mayor and City Council approve the cost adjustment for the purchase of thirteen (13) dump trucks from Rush Truck Centers Inc. for \$256,313.20.

Approve Change Order No. 3 for Olympic Boulevard Improvements - Section No. 21-00544-00-PV to D Construction Inc., a Deduction in the Amount of (\$1,809,268.20), and Payment Request No. 15 & Final in the Amount of \$226,410.84

BACKGROUND:

The Rock Run Crossings Development Project, located at the northeast corner of the I-80 and I-55 interchange, involves support projects for infrastructure improvements and site access to be constructed by the City. The Olympic Boulevard roadway improvements project primarily includes the construction of a new bridge over Rock Run Creek. An associated contract was issued for improvements to existing portions of Olympic Boulevard and Houbolt Road.

A contract for this work was awarded to D Construction Inc. on May 16, 2023, in the amount of \$10,788,484.59. Subsequently, Change Order No. 1, an addition in the amount of \$887,079.44, and Change Order No. 2, a deduction in the amount of \$409,100.82, were approved.

The Public Service Committee will review this matter.

CONCLUSION:

This project has been completed, inspected, and accepted by the Department of Public Works. Change Order No. 3, a deduction in the amount of (\$1,809,268.20), is for the following items:

- 1) Deduction of the sanitary sewer bypass for bridge construction that was not needed.
- 2) Deduction of the quantities for Non-Special Waste Disposal. This item was shifted from this contract to an adjacent contract at the same cost with the same funding source.
- 3) Balancing of completed items.

Change Order items represent a reduction in funds from the TIF #7 Rock Run Funds (Org 25520240, Object 557200, (\$1,809,268.20)).

Also attached is Payment Request No. 15 & Final, in the amount of \$226,410.84, on behalf of D Construction Inc.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council take the following actions:

- 1) Approve Change Order No. 3 for the Olympic Boulevard Improvements Project, a deduction in the amount of (\$1,809,268.20).
- 2) Approve Payment Request No. 15 & Final, in the amount of \$226,410.84, on behalf of D Construction Inc.

Approve Change Order No. 2 for Olympic Boulevard / Houbolt Road Improvements Project - Section No. 21-00544-00-PV to PT Ferro Construction Co. in the Amount of \$248,128.09 and Payment Request No. 12 & Final in the Amount of \$414,880.37

BACKGROUND:

The Rock Run Crossings Development Project, located at the northeast corner of the I-80 and I-55 interchange, involves support projects for infrastructure improvements and site access to be constructed by the City. The Olympic Boulevard / Houbolt Road roadway improvements project primarily includes improvements to existing portions of Olympic Boulevard and Houbolt Road. An associated contract was issued for the construction of a new bridge over Rock Run Creek.

A contract for this work was awarded to PT Ferro Construction Co. on August 14, 2023, in the amount of \$7,498,539.72. Subsequently, Change Order No.1 in the amount of \$347,850.97 was approved by the Mayor and City Council.

The Public Service Committee will review this matter.

CONCLUSION:

This project has been completed, inspected, and accepted by the Department of Public Works. Change Order No. 2, an addition in the amount of \$248,128.09, is for the following items:

- 1) Addition of the quantities for Non-Special Waste Disposal. This item was shifted from an adjacent contract to this contract at the same cost with the same funding source. The original contract quantity was also increased due to additional quantities encountered during construction.
- 2) Balancing of completed items.

Sufficient funds exist utilizing the TIF #7 Rock Run Funds (Org 25520240, Object: 557200, \$248,128.09).

Also included is Payment Request No. 12 and Final, in the amount of \$414,880.37, on behalf of PT Ferro Construction Co.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council take the following actions:

- 1) Approve Change Order No. 2 for the Olympic Boulevard / Houbolt Road Improvements Project, an addition in the amount of \$248,128.09.
- 2) Approve Payment Request No. 12 and Final, in the amount of \$414,880.37, on behalf of PT Ferro Construction Co.

Ordinance Amending Chapter 19, Article II of the City of Joliet Code of Ordinances to Establish 2 Hour Free Street Parking, Weekdays 7 A.M. - 7 P.M., in Zones A, B and C in the Downtown Area

BACKGROUND:

The City of Joliet Administration proposes an ordinance amendment to Chapter 19, Article II of the City of Joliet Code of Ordinances. This amendment aims to establish limited two-hour free street parking in the downtown area in Zones A, B, and C. The purpose of this ordinance is to enhance street parking convenience for residents and visitors and support downtown businesses. The applicable zones are generally in downtown area and are depicted in the attached map in Exhibit A.

The proposed ordinance includes several key street parking restrictions:

- It shall be unlawful for any vehicle to be parked on Jefferson Street between Joliet Street and Mayor Art Schultz Drive, Cass Street between Joliet Street and Eastern Avenue, and Chicago Street between Washington Street and Jackson Street, in Zones A, B, and C between 3 A.M. and 5 A.M.
- A 2-hour street parking limit will be enforced in Zones A, B, and C between 7 A.M. and 7 P.M. Monday through Friday.
- Re-parking outside of the 2-hour limit within the same Zone during the hours of 7 A.M. and 7 P.M. Monday through Friday will be prohibited.
- Parking restrictions in Zones A, B, and C shall be in effect from Monday through Friday, excluding holidays as defined in Section 2-7 of the City of Joliet Code of Ordinances.
- The effective date of the amendment to the ordinance will be September 1, 2025.

The Public Service Committee will review this matter.

CONCLUSION:

This ordinance is designed to assist downtown businesses by attracting more customers and better serving the needs of the Joliet community. These changes are expected to enhance accessibility, convenience, and economic vitality in the downtown area, benefiting both residents and local businesses.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the attached ordinance amending the City's parking ordinance.

ORDINANCE NO.

ORDINANCE AMENDING CHAPTER 19, ARTICLE II OF THE CITY OF JOLIET CODE OF ORDINANCES TO ESTABLISH 2 HOUR FREE STREET PARKING, WEEKDAYS 7 A.M. – 7 P.M., IN ZONES A, B AND C IN THE DOWNTOWN AREA

WHEREAS, the City of Joliet seeks to provide free parking in designated areas to enhance accessibility and convenience for residents and visitors, thereby supporting downtown businesses by attracting more customers and fostering economic growth; and

WHEREAS, the City of Joliet desires to amend its parking regulations to reflect these changes; and

WHEREAS, the City of Joliet is a Home Rule Municipality, under and pursuant to §6 of Article VII of the Illinois Constitution, and has the authority to exercise any power and perform any function pertaining to its government and affairs, subject to the limitations set forth in the Constitution and laws of the State of Illinois, including, but not limited to, the power to regulate for the protection of the public health, safety, morals, and welfare; and

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF JOLIET, PURSUANT TO ITS HOME RULE AND STATUTORY AUTHORITY, AS FOLLOWS:

by the City Council of the City of Joliet, Illinois, that the following amendments be made to Chapter 19, Article II of the City of Joliet Code of Ordinances:

SECTION 1: Findings

The Mayor and City Council hereby find that the recitals contained in the remainder of this Ordinance are true, correct, and complete and are hereby incorporated into this Ordinance by reference.

SECTION 2: Amendment to Section 19-176(b)

[Amended language in bold]

That Chapter 19, Article II, Section 176(b) of the City of Joliet Code of Ordinances shall be amended by adding paragraphs (3) through (5) as follows:

(3) It shall be unlawful for any vehicle to be parked on Jefferson Street between Joliet Street and Mayor Art Schultz Drive, Cass Street between Joliet Street and Eastern Avenue, and Chicago Street between Washington Street and Jackson Street, in Zones A, B, and C between 3 A.M. and 5 A.M.

(4) It shall be unlawful for any vehicle to be parked for more than 2 hours in Zones A , B, and C between 7 A.M. and 7 P.M. from Monday through Friday and excluding holidays as defined in Section 2-7 of the City of Joliet Code of Ordinances

(5) There shall be no re-parking outside of the 2-hour limit within the same Zone during the hours of 7 A.M. to 7 P.M.

SECTION 3: Repeal of Section 19-191

That Chapter 19, Article II, Section 191 of the City of Joliet Code of Ordinances shall be repealed.

SECTION 4: Amendment to Section 19-193

[Amended language in bold]

That Chapter 19, Article II, Section 193 of the City of Joliet Code of Ordinances shall be amended to read as follows:

Sec. 19-193. Rates.

Unless otherwise specified in this article, **Zone A, which is bounded by Cass Street to Washington Street and Joliet Street to the railroad tracks, Zone B, which is bounded by Crowley Avenue to Cass Street and Joliet Street to the railroad tracks, and Zone C, which is bound by Cass Street to Jefferson Street and Mayor Art Schultz Drive to Eastern Avenue, will have a street parking rate of zero dollars (\$0.00) per hour.**

Parking restrictions in Zones A, B, and C shall be in effect from Monday through Friday, excluding holidays as defined in Section 2-7 of the City of Joliet Code of Ordinances.

SECTION 5: Effective Date

This ordinance shall take effect and be in full force on September 1, 2025, following its passage and approval required by law.

PASSED this _____ day of _____, 2025.

Resolution Appropriating Rebuild Illinois Bond Funds for Amendment No. 2 to the Professional Engineering Services for the Phase I, Phase II, and Phase III Engineering Services for the Joliet Centralized Traffic Management System Improvement Project - MFT Section No. 21-00546-00-TL

BACKGROUND:

The Professional Engineering Services contract for the City's Centralized Traffic Signal Management System (CTMS) is being funded by Rebuild Illinois bond funds. The project scope is being expanded to include additional Phase C, which will tie additional traffic signals into the system.

The Public Service Committee will review this matter.

CONCLUSION:

Funding for this project will come from Rebuild Illinois bond funds. The State of Illinois requires the Mayor and City Council to approve a Funding Resolution. Attached please find a Funding Resolution appropriating an additional \$149,919.73 for the Phase I, II, and III Engineering for the City's Centralized Traffic Management System Improvement Project.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the Supplemental Funding Resolution appropriating Rebuild Illinois bond funds for Amendment No. 2 to the Professional Engineering Services for the Phase I, Phase II, and Phase III Engineering Services for the Joliet Centralized Traffic Management System Improvement Project - MFT Section No. 21-00546-00-TL.

SUBJECT:

Resolution Appropriating Rebuild Illinois Bond Funds for the Advanced Traffic Management System - Phase C Project - MFT Section No. 21-00546-05-TL in the Amount of \$1,200,000.00

BACKGROUND:

The City of Joliet will be using a portion of the City's Rebuild Illinois bond fund allotment towards the completion of the City's Advanced Traffic Management System (ATMS) - Phase C Project.

The Public Service Committee will review this matter.

CONCLUSION:

Funding for this project will come from Rebuild Illinois bond funds. The State of Illinois requires the Mayor and City Council to approve a Funding Resolution. Attached please find a Funding Resolution appropriating \$1,200,000.00.

TO: Mayor and City Council

FROM: Greg Ruddy, Director of Public Works

SUBJECT:

Resolution Approving a Letter of Understanding with the Illinois Department of Transportation for the Maintenance of Traffic Signals at IL Route 53 (Chicago Street) and Emerald Drive

BACKGROUND:

Traffic signals were recently installed by the City at IL Route 53 (Chicago Street) and Emerald Drive using State of Illinois EDP grant funding. In keeping with similar IDOT agreements for traffic signals on State routes, the City will maintain the new signals.

The Public Service Committee will review this matter.

CONCLUSION:

The Illinois Department of Transportation requires that a Letter of Understanding between the City and IDOT for the maintenance of traffic signals be signed by both parties. Attached please find a Letter of Understanding with the Illinois Department of Transportation for the maintenance of traffic signals at IL Route 53 (Chicago Street) and Emerald Drive.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council adopt the attached Resolution Approving the Letter of Understanding for the maintenance of Traffic Signals at IL Route 53 (Chicago Street) and Emerald Drive between the State of Illinois and the City of Joliet.

RESOLUTION NO.

RESOLUTION AUTHORIZING EXECUTION OF A LETTER OF UNDERSTANDING FOR FAP 0846 ILL 53 AT EMERALD DRIVE BETWEEN THE STATE OF ILLINOIS AND CITY OF JOLIET (IL Route 53 and Emerald Drive Improvements Contract 2600-0122)

WHEREAS, the Mayor and City Council of the City of Joliet, Illinois (City) has the authority to adopt ordinances and to promulgate rules and regulations that pertain to its government and affairs; and

WHEREAS, the STATE, in order to facilitate the free flow of traffic and ensure safety to the motoring public, is desirous of installation of traffic signals at IL Rt 53 and Emerald Drive, Contract Number 2600-0122, STATE Section No. 18-00516-00-CH, as follows:

The Work consists of furnishing all labor, materials, equipment, and other incidentals necessary for the installation of new traffic signals, and other incidental and miscellaneous items of work in accordance with the Plans, Standard Specifications, and these Special Provisions.; and

WHEREAS, Additionally, as a part of the Letter of Understanding, upon final field inspection of the improvement, the City will be responsible for the cost for maintenance of the new traffic signals.

WHEREAS, the CITY is desirous of said improvement in that same will be of immediate benefit to the CITY residents and permanent in nature.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF JOLIET, PURSUANT TO ITS HOME RULE AND STATUTORY AUTHORITY, AS FOLLOWS:

SECTION 1: The Mayor and City Council hereby find that the recitals contained in the remainder of this Resolution are true, correct and complete and are hereby incorporated into this Resolution by reference.

SECTION 2: The Mayor and City Clerk are hereby authorized to execute the Letter of Understanding, attached hereto and incorporated herein, between the State of Illinois, acting by and through its Department of Transportation. The City Manager is hereby authorized to take such action as may be necessary for the City to comply with the terms thereof.

SECTION 3: In the event that any provision or provisions, or portion or portions of this ordinance shall be declared to be invalid or unenforceable by a Court of competent jurisdiction, such adjudication shall in no way affect or impair the validity or enforceability of any of the remaining provisions or portions of this ordinance that may be given effect without such invalid or unenforceable provision or provisions, portion or portions.

SECTION 4: All resolutions directly in conflict with the terms of this Resolution are hereby repealed to the extent of such conflict.

SECTION 5: This Resolution shall be deemed severable and the invalidity of any portion hereof shall not invalidate the remainder.

SECTION 6: This Resolution shall be in full force and effect from and after its passage, approval and publication as provided by law.

PASSED this _____ day of _____, 2025.

Mr. Terry D'Arcy

Mayor

City of Joliet

150 W. Jefferson Street

Joliet, IL 60432

Dear Mayor D'Arcy:

This Letter of Understanding (LOU) is made and entered into between the City of Joliet referred to as the LPA and the State of Illinois, acting by and through its Department of Transportation, hereinafter referred to as STATE and shall serve as a written record of the maintenance responsibilities for the ILL 53 and Emerald Drive project being administered by the City of Joliet.

Please indicate the LPA's concurrence by signing with original signature and return two (2) copies to our office for final processing.

The following items are added:

1. All traffic control equipment to be used in the traffic signal work included herein must be approved by the STATE prior to its installation. The STATE must be notified a minimum of seven (7) working days prior to the final inspection. Final inspection of the signalized intersection will be made by a representative of the STATE, and, if satisfactory, authorization for turn on will be given.
2. Upon acceptance of the traffic signal by the STATE the financial responsibility for maintenance and electrical energy for the operation of the traffic signal at the intersection shall be proportioned as follows:

	MAINTENANCE	ELECTRICAL ENERGY
IL 53 at Emerald Dr	0% STATE 100% CITY	0% STATE 100% CITY

and become a part of the current Master Agreement executed between the City of Joliet and the STATE.

3. The actual maintenance of traffic signals at the above intersections will be performed by the STATE with its own forces or through ongoing contractual agreement.
4. The financial responsibility for the maintenance of the "Emergency Vehicle Preemption" equipment at the signalized intersection above shall be borne by the LPA.
5. The STATE retains the right to control the sequence and timing of the traffic signals and interconnect.
6. Payment by the STATE of any or all of its share of maintenance is contingent upon the STATE receiving adequate funds in its annual appropriation.
7. It is mutually agreed, if, in the future, the STATE adopts a roadway or traffic signal improvement passing through the signalized intersection which requires modernization or reconstruction to said traffic signal then the LPA agrees to be financially responsible for the entire costs in accordance with Department policy to modernize or reconstruct said installation and will be responsible for all costs to relocate or reconstruct the emergency vehicle pre-emption equipment with the STATE's proposed improvement.

All costs associated with the installation, future maintenance, or replacement of non-standard Department equipment, finish or hardware shall be the sole responsibility of the LPA. This includes, but is not limited to, painting of the signal hardware, aesthetic poles, etc.

8. Upon final field inspection of the improvement, the LPA agreed to maintain, or cause to be maintained, those portions of the improvement which are not maintained by the STATE.

All provisions, conditions, restrictions and requirements of this agreement shall be binding upon and inure to the benefit of the successors, assigns, administrators, executors or heirs of the parties hereto.

If you have any questions or need additional information, please contact Jessica Feliciano, Program Office Engineer, at (847) 705-4406.

Very truly yours,

Jose Rios, P.E.

Memo

File #: 371-25

Agenda Date: 6/17/2025

TO: Mayor and City Council

FROM: Greg Ruddy, Director of Public Works

SUBJECT:

Resolution Appropriating Rebuild Illinois Funds and Approving a Request for Expenditure / Authorization of Rebuild Illinois Funds in the amount of \$420,000.00 for the Construction of the Garnsey Avenue Bridge over Spring Creek Improvement Project - MFT Section No. 11-00443-00-BR

BACKGROUND:

At the June 2, 2020 Council Meeting, the Mayor and City Council approved Resolution #7537 appropriating Motor Fuel Tax funds for this project in the amount of \$420,000.00. Shortly thereafter, the Illinois Department of Transportation (IDOT) began disbursing the first allotments of Rebuild Illinois bond funds to be provided to local governments. The construction of Garnsey Avenue Bridge over the Spring Creek Improvement Project has been determined to be eligible to be funded by Rebuild Illinois bond funds. As standard MFT funds have already been allocated / expended for this project, this will essentially swap Rebuild funds for MFT funds, allowing the MFT funds to be allocated to a different project.

The Public Service Committee will review this matter.

CONCLUSION:

Funding for this project will come from Rebuild Illinois bond funds. The Illinois Department of Transportation requires the City to submit a resolution appropriating Rebuild Illinois funds and a request for authorization to expend these funds. Attached please find the standard IDOT forms attached for review and approval.

RECOMMENDATION:

Based on the above, it is recommended that the Mayor and City Council approve the attached resolution appropriating Rebuild Illinois bond funds, and the attached request for expenditure / authorization of Rebuild Illinois bond funds in the amount of \$420,000.00 for the construction of the Garnsey Avenue Bridge over Spring Creek Improvement Project - MFT Section No. 11-00443-00-BR.
