

STAFF REPORT

DATE: June 10, 2024
TO: Zoning Board of Appeals
FROM: Planning Staff
RE: Petition Number: 2024-31 and 2024-32
Applicant: Xanxia Zhang
Status of Applicant: Business Owner / Proposed Tenant
Property Owner: Namdar Realty Group
Location: 3340 Mall Loop Drive
Request: A Variation of Use to allow a B-3 use in the B-2 zoning district
A Special Use Permit to allow a massage therapy business

Purpose

The applicant is requesting a Special Use Permit to allow a massage therapy business within a tenant space in the Louis Joliet Mall. The applicant is also requesting a Variation of Use to allow a B-3 (general business) use within the B-2 (central business) district. Per the City of Joliet Zoning Ordinance, massage businesses may be allowed as special uses in the B-3 zoning district by the Mayor and City Council, with the advice of the Zoning Board of Appeals in accordance with Section 47-5.2.

Site Specific Information

The tenant space for the proposed business is within Louis Joliet Mall, which encompasses approximately 66 acres for the mall building and surrounding parking lots. The mall contains approximately 320,000 square feet of leasable area (excluding the four anchor spaces), with around 80 businesses currently in operation within the mall. The tenant space in question is 1,260 square feet and located on the south side of the mall near the exterior entrance just west of the former Sears location. The entry to the tenant space is within the mall; there is no separate exterior entrance. The mall building and parking areas are zoned B-2 (central business).

Surrounding Zoning, Land Use and Character

The tenant space is located within Louis Joliet Mall, which is surrounded by other commercial properties with B-2 zoning.

Applicable Regulations

- Section 47-13.2A (H) Special Uses – B-3 District
- Section 47-5.2 (C) Criteria for issuance of a Special Use Permit (refer to attachment)
- Section 47-17.28 Variation of Use

Section 47-17.28: Variation of Use: *A "variation of use" shall be defined to mean relief from strict compliance with the use limitations of this Ordinance regarding the classification, regulation, and restriction of the location where trades, industries, businesses, and residences may exist.*

Discussion

The petitioner and business owner, Xanxia Zhang, is requesting approval of a Special Use Permit and corresponding Variation of Use to allow a massage therapy business (Relax the Body) within a tenant space in the Louis Joliet Mall. The petitioner has had an active massage therapy license from the state of Illinois since 2013 and has previously worked as a massage therapist. The petitioner would be the only licensed massage therapist on staff initially, but they might hire up to three additional massage therapists in the future. The petitioner has already completed the background check as part of their City business license application. Any additional massage therapists would need to complete the background check and provide proof of their state license to the City's Business Services Division before they could be employed with this business.

The tenant space would be laid out to contain three massage tables, three foot massage tables, and three massage chairs. Proposed hours of operation are the same as the mall hours, which are Monday through Thursday 11 AM to 7 PM, Friday and Saturday 10 AM to 8 PM, and Sunday 11 AM to 6 PM. A floor plan and business license application are attached.

The mall contains a variety of stores and businesses, including clothing stores, restaurants, and service businesses such as a nail salon and hair salon. The massage therapy business will not be harmful to or impede the use and development of other businesses and operations within or surrounding the mall. The tenant space is adequately sized for the proposed business. The mall has ample parking and existing building ingress and egress that will serve the proposed business.

Conditions

If the Zoning Board desires to approve the Variation of Use to allow a B-3 (general business) use in the B-2 (central business) zoning district and the Special Use Permit to allow a massage therapy business, located at 3340 Mall Loop Drive, the following conditions would be included:

1. That a City business license shall be obtained;
2. That the Special Use granted shall herein terminate and lapse unless a building permit or certificate of occupancy is obtained not later than 180 days of the effective date of this ordinance and the erection or alteration of a building is started or the use is commenced within such period. The Board may grant an extension of this period, valid for no more than one hundred and eighty (180) additional days, upon written application and good cause shown without notice or hearing. Whether or not there is an intention to abandon the Special Use, if any special use is discontinued for a continuous period of one year, or if an intent to abandon the Special Use is evident in a shorter period of time, the Special Use for such use shall become void, and such use shall not thereafter be reestablished unless a new Special Use Permit is obtained; and
3. Should the property be declared a public nuisance, it shall be subject to a rehearing and a possible revocation of the Special Use Permit.

- (c) The variation, if granted, will not alter the essential character of the locality.

Please describe how this request meets the criteria by responding to the following questions in your own words.

1. How do the applicable zoning regulations prevent the property in question from yielding a reasonable return?

There maybe some special zoning regulations of massage business in City of Joliet, but I think my massage business should be allowed in Louis Joliet Mall. It is very popular to have massage stores in any shopping malls in the United States, people would be very relaxed to have a massage after shopping around. In addition, there's another massage store in this mall. So, I believe we should be allowed to open a massage store in this mall as well.

2. What unique circumstances exist which mandate a variance?

Shopping mall always have more people compared to plaza or a separate massage store. I'm not sure what kind of zoning is for this Louis Joliet Mall but I love this location and I believe people would like to come and have a massage in the mall.

3. What impact would the granting of this variance have upon the essential character of the general area? Please include both positive and negative impacts.

I don't see any negative effects for opening a massage business in the shopping mall. In contrast, people would want to have a massage with their family or friends after shopping or dining together in the mall. Louis Joliet Mall also wants us to start a business with them because it will attract more shoppers to come to the mall and increase the revenue. Eventually the business will be beneficial for City of Joliet
