Ms. Bernhard gave the Planning Staff Report.

Mr. Nathaniel Washburn, KGG, LLC, 111 N. Ottawa Street, appeared on behalf of the petition.

Mr. John Schrock, Attorney, representing Mr. & Mrs. Jimmie Sellers. They own residential property at 815 and 820 Mills Road which are rental properties. They

are concerned that the zoning will be changed from residential to industrial, as well as the truck traffic and storm water detention. There is also a concern that it will have a negative impact on their rental properties. They are opposed to the petition requests.

Mr. Jerald Bueton, Rowell Avenue, stated his concern about what the land will be used for. Chairman Dillon tried to give an example of what the property would look like.

Ms. Bernhard explained the zoning uses.

Ms. Betsy Satcher, 610 Florence Avenue, stated that the residents that live in the area did not know about the neighborhood meeting until an hour before. She stated her concern about what the project will look like and what it will be used for.

Ms. Lucy Ochoa, 904 Rowell Avenue, stated her concern regarding the traffic and feels that housing is needed rather than commercial property. She inquired about a privacy fence. Mr. Washburn responded there will be berming.

Ms. Judy Bills, lives on the north side of property for almost 20 years, stated her concern about the water retention.

Mr. Joe Hammer, Ruettiger, Tonelli & Associates, responded to some of the concerns of the residents.

Mr. Washburn addressed some the comments from the residents.

Mr. Bueton appeared again with the concern that there is nothing to guarantee the residents that something else could go into the property.

Mr. Schrock appeared again and stated that the neighbors are concerned that the project is out of place because there are houses in the area.

A motion was made by Jason Cox, seconded by John Kella, to recommend for approval by the City Council the Reclassification of 25 Acres on Part of 1101 Mills Road from R-2 (Single-Family Residential) to I-1 (Light Industrial) Zoning, the Preliminary Plat of Kingsmen Industrial Park Subdivision and the Final Plat of Kingsmen Industrial Park Subdivision Unit 1.
